In Memory of Helen Collins

Faith is a brightness and a shining way;
Faith is a glory that the brave have worn;
Faith is a singing through a long, gray day;
Faith is a healing for old hurts long borne.
Faith is the first bright star hung low;
Faith is the ocean's moonlit sheen;
Faith is the dreams that all hearts know,
The evidence of things that are not seen.
I have not seen it, yet it walks with me;
I have not touched it, yet it holds my hand;
I shall not lose it through Eternity,
Whether my journey be by sea or land.
With its high torch to light the alien skies
I shall face life and death with fearless eyes.

Grace Noll Crowell

This book is dedicated to the memory of Miss Helen Collins, consecrated Christian teacher, who was called to lay down her duties March 26, 1953.

Service was the gospel of her life. Miss Collins was never so busy with her own work but she found time to help and encourage those about her. In her six years at Adelpian she endeared herself to each student and faculty member as friend, leader and counselor.

Prior to her teaching and registrar work at Adelpian, Miss Collins taught in the Maine elementary church schools and at Union Springs Academy. The time she spent at Adelpian was interrupted by a term of service in Africa which was cut short because of severe illness. As soon as she was able, she returned to Adelpian Academy, the place she chose to call "home." Until the first of the year she served faithfully, this time in the accounting office of the mill.

Her inspiration to others and faith in God will have a moulding effect for the years to come.

Principal and Business Manager

Adelphian has been fortunate in having as its chief for the past eight years Principal V. E. Garber.

We of the Bell Echoes Staff would like to take the opportunity to replace the customary message "From the Principal" with a message "To the Principal."

Our admiration of you is shared mutually by students, teachers and friends wherever your radiating Christian leadership has been felt. Your diversified abilities and your tireless enthusiasm has made Adelphian what it is today.

We are sorry to see you and your family leave, but we know that your services will become more valuable as you take up your greater responsibilities at Emmanuel Missionary College.

Moral

We Invite Christ to Live on our Campus

One of the first semester M.V. activities, under the leadership of Miss Helen Collins, was the preparation of Christmas baskets for underprivileged families. The Sunshine Band was responsible for making and delivering these gifts.

The Sunshine Band also spent an hour every Sabbath afternoon bringing cheer to the elderly confined to nursing homes in nearby communities.

By the Grace and Power of God

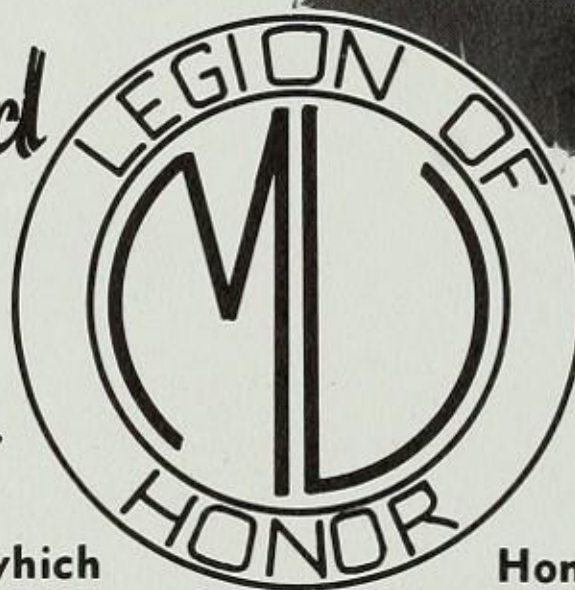

I WILL

Honor Christ in that
which I choose to Behold.

Honor Christ in that to which
I choose to Listen.

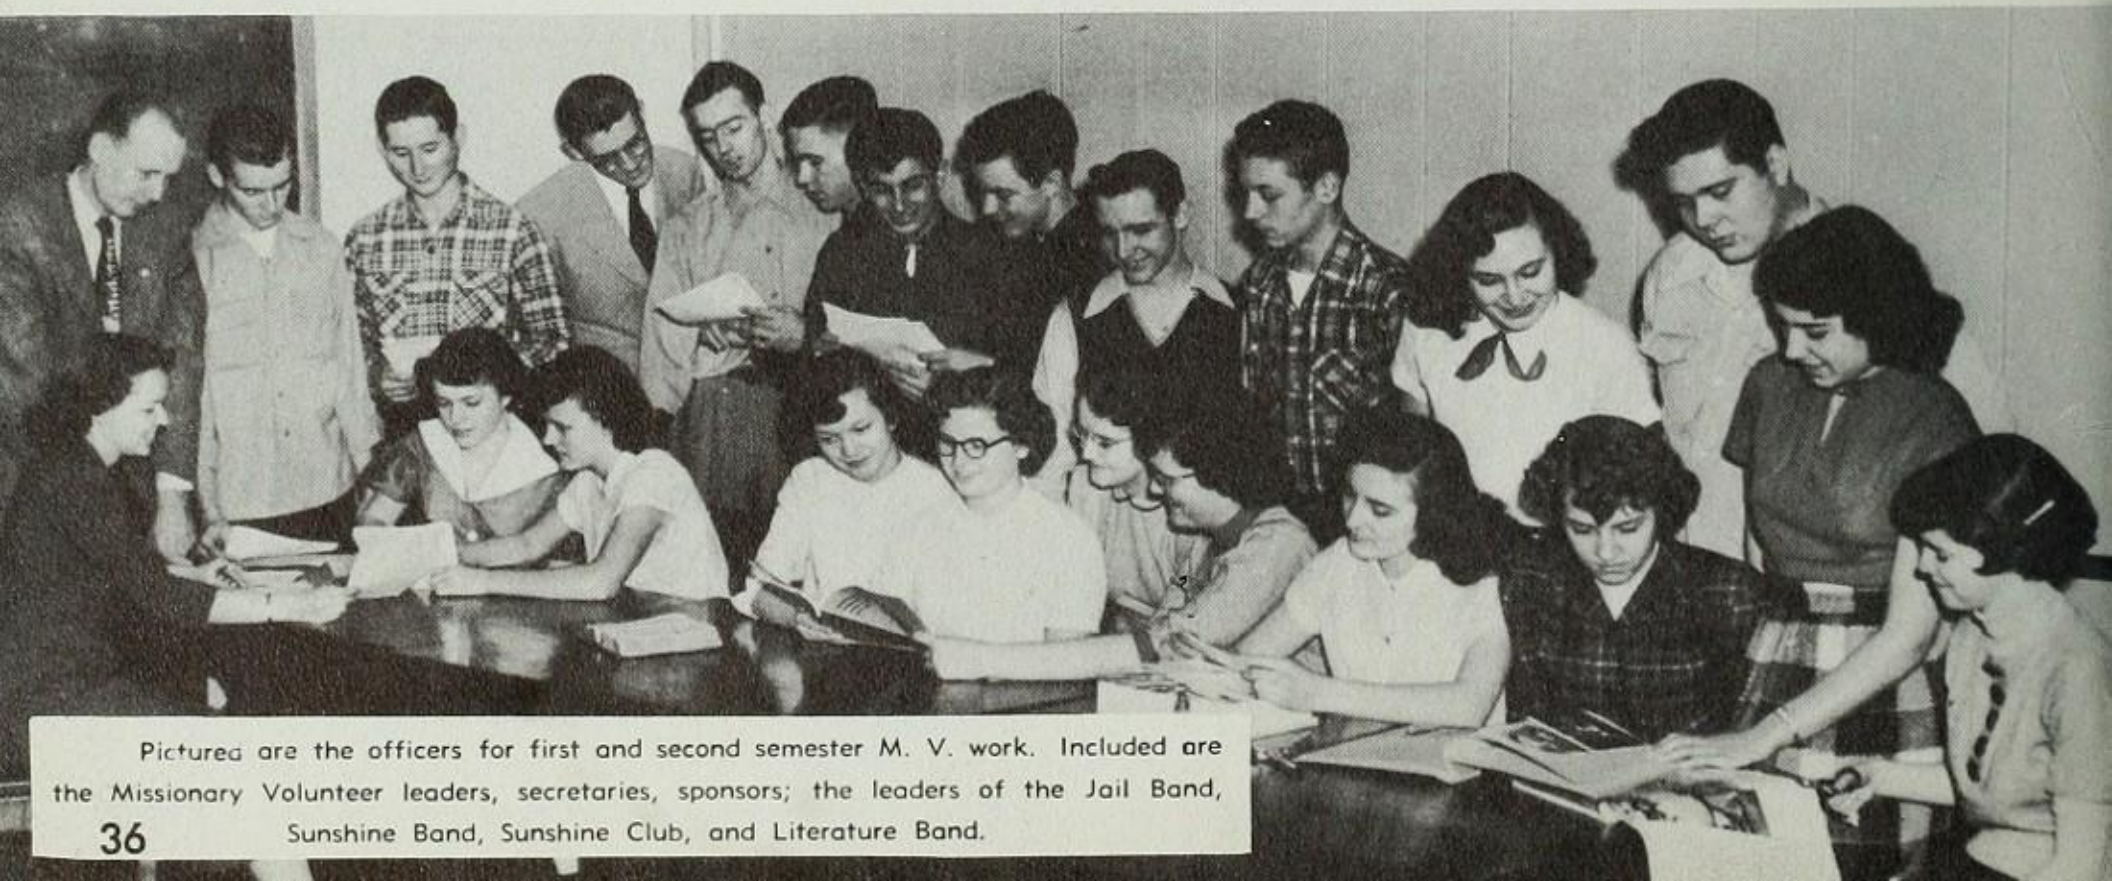

Honor Christ in the Care I give my Body Temple.

Honor Christ in the Choice of places to which I Go.

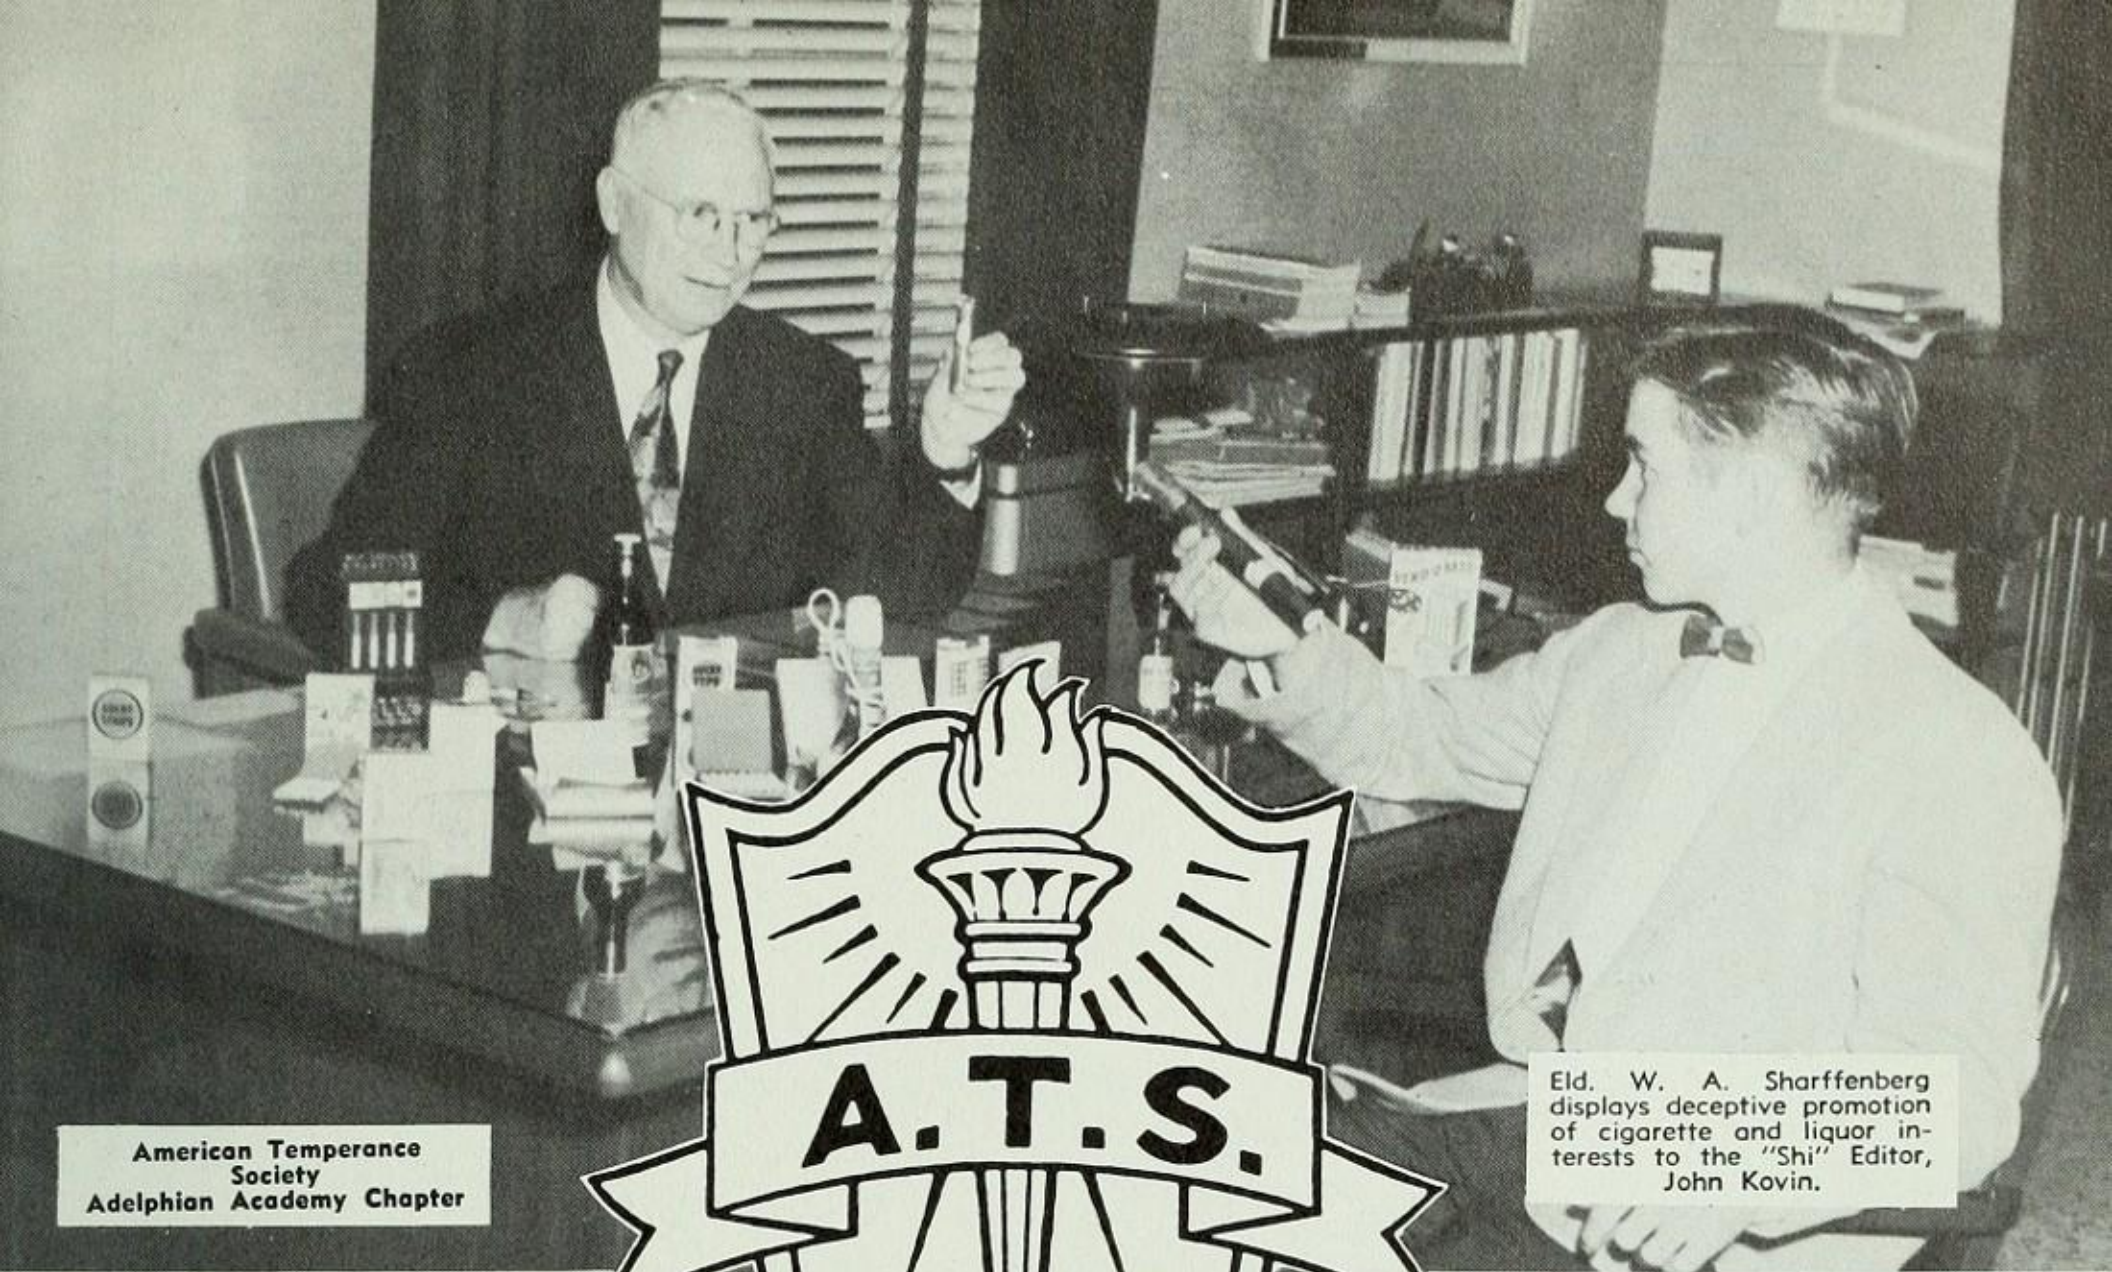

Honor Christ in the Choice
of Associates.

Honor Christ in that which
I choose to Speak.

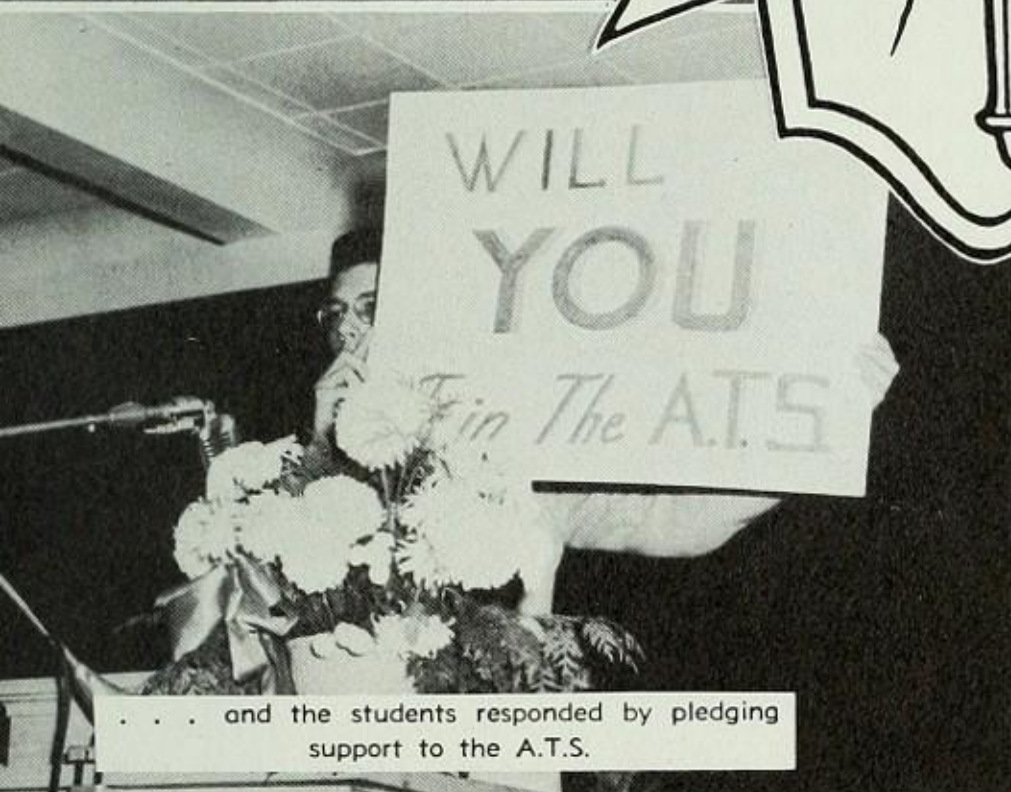

Pictured are the officers for first and second semester M. V. work. Included are the Missionary Volunteer leaders, secretaries, sponsors; the leaders of the Jail Band, Sunshine Band, Sunshine Club, and Literature Band.

support to the A.T.S.

The Adelphian chapter contributes to the national
temperance work.

These A.T.S. officers sparked the programs given
to the public schools in the Holly area.

Dave Kuebler and Bob Hirst display their poster.

Eld. Lawrence Kagels (insert) conducted the Fall Religious Emphasis Week. The entire student body took part in prayer circles preceding each meeting. The Spring Religious Emphasis Week with Eld. Dwight Wallack leading, was illustrated with the Christian walk, as pictured below.

The Adelpian Academy Youth Church is served by the above church board members.

The first and second semester Sabbath School officers presented interesting programs each week.

Plans were mapped by Elder Phillips, Mr. Garber, and Mr. and Mrs. Wohlers.

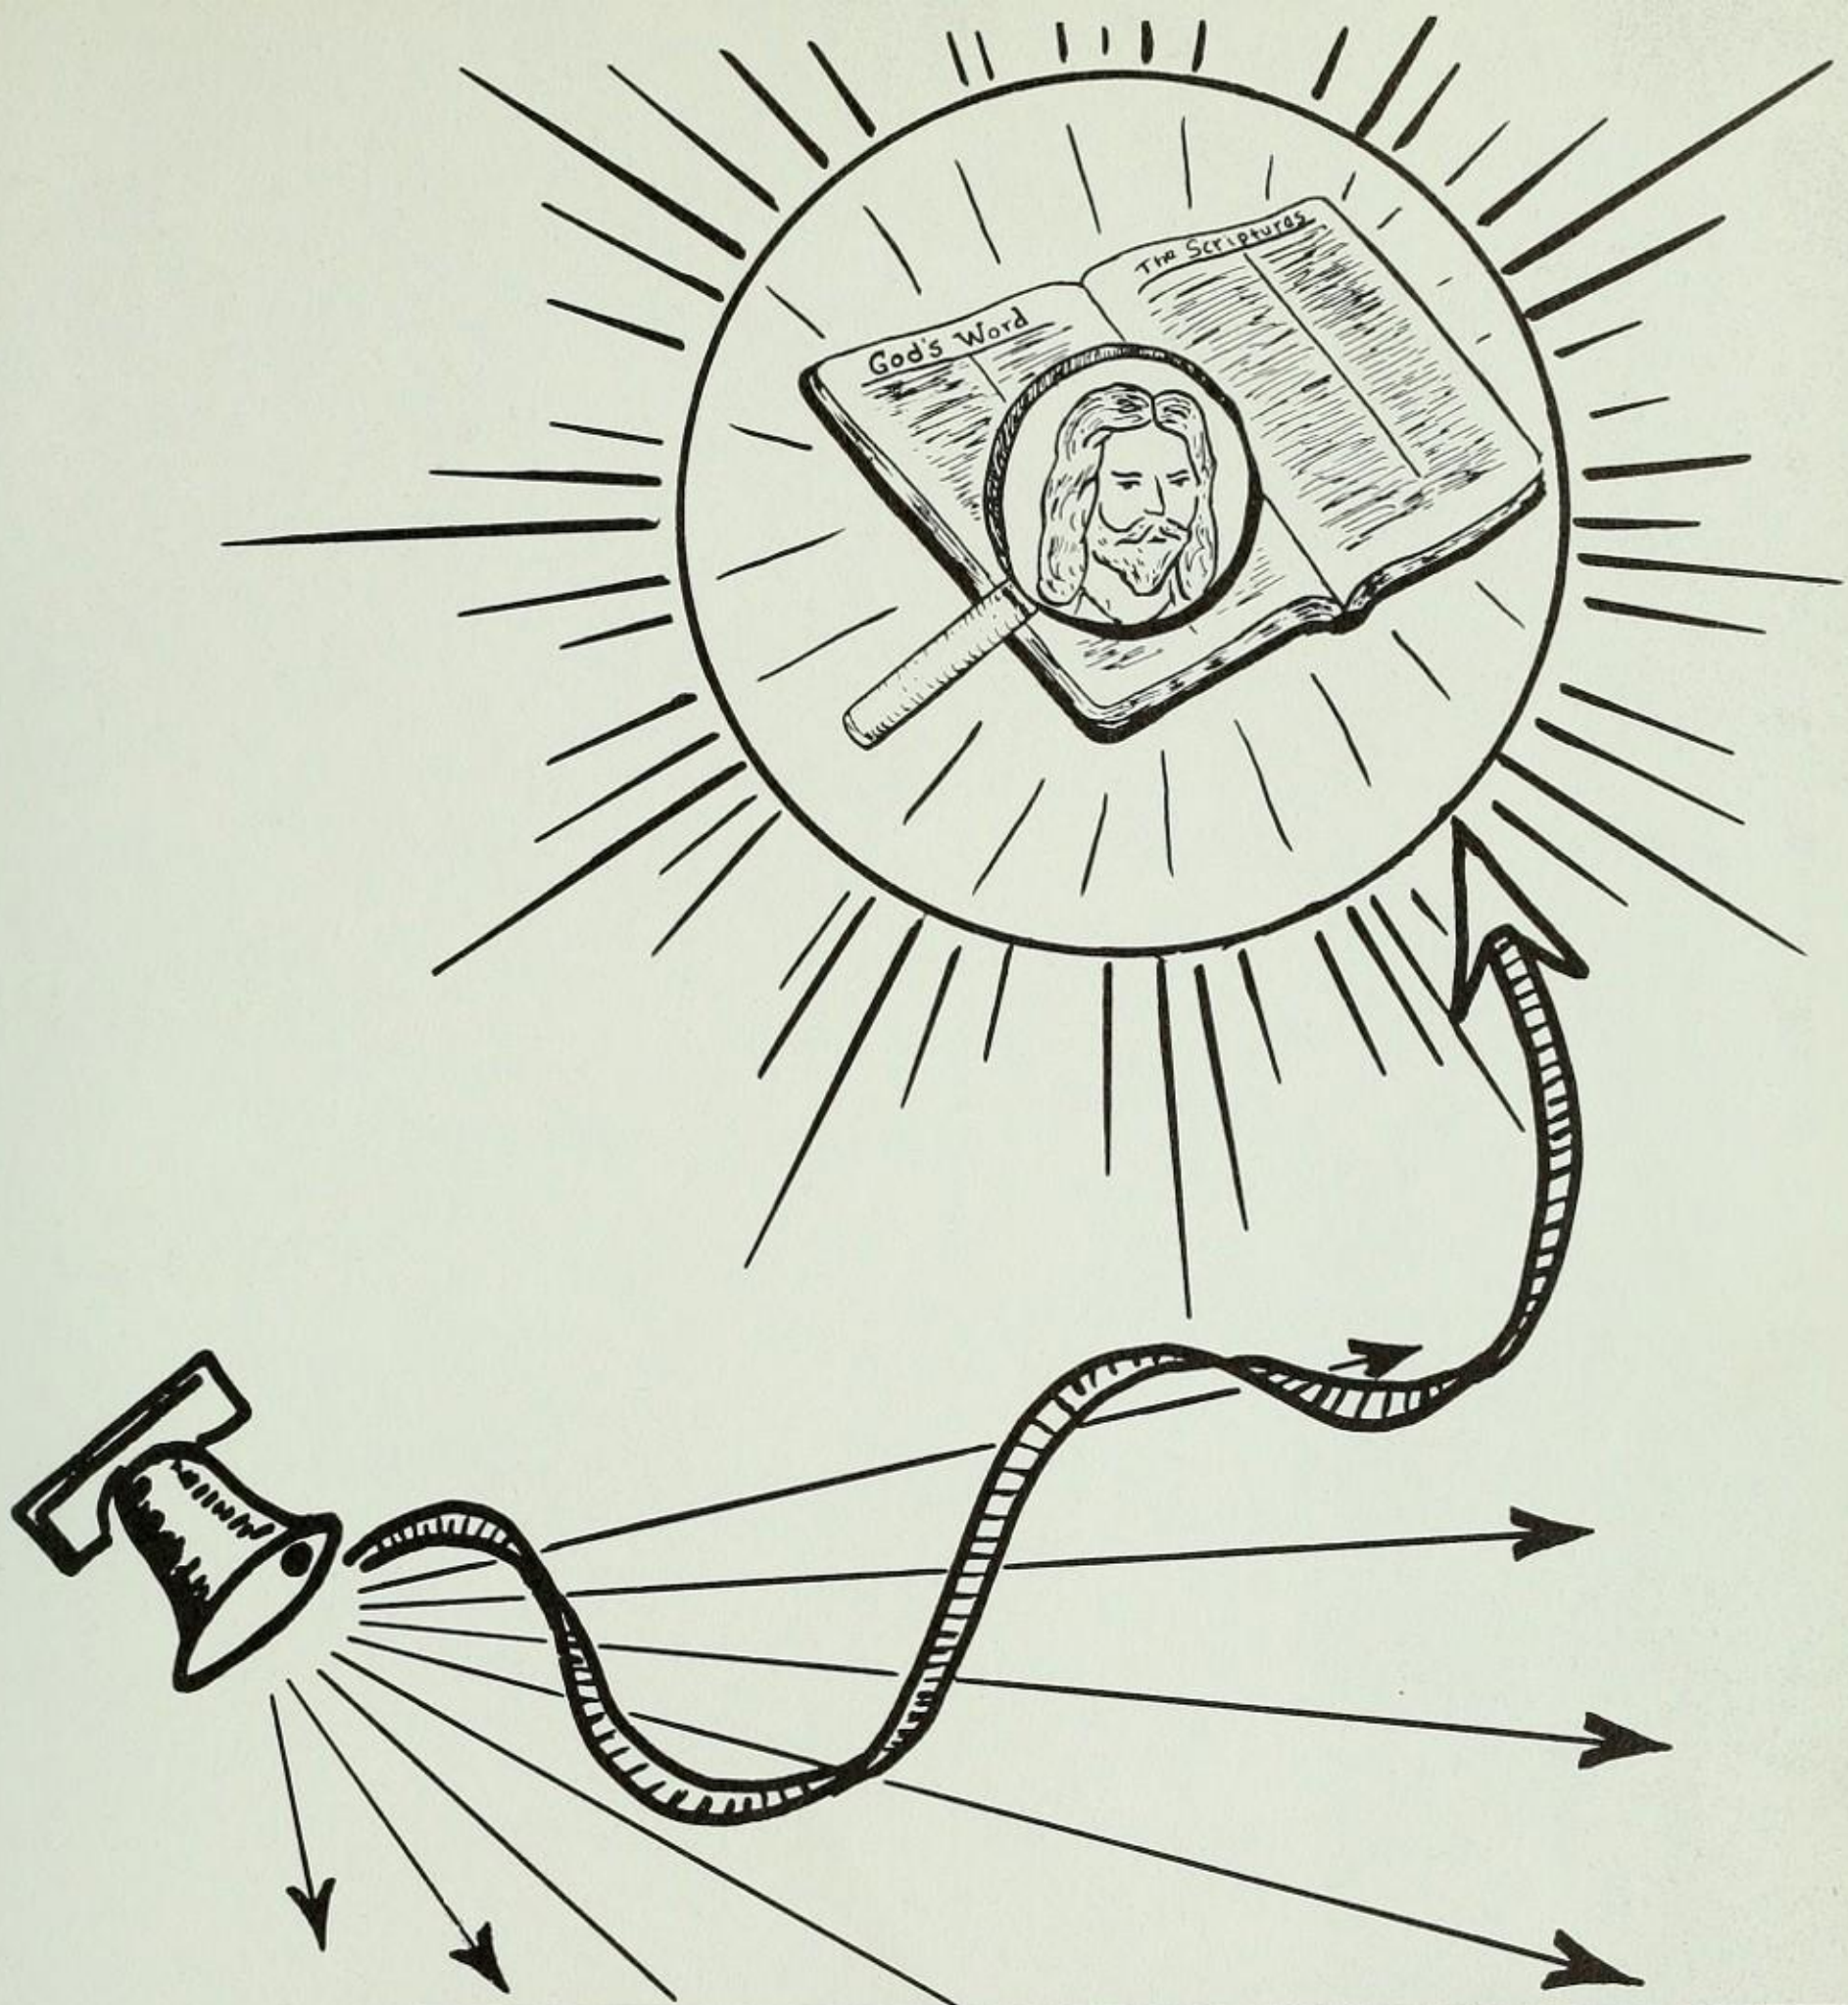

The field day was enthusiastically undertaken by a large percentage of students, with district leaders and teachers assisting.

In gathering Success

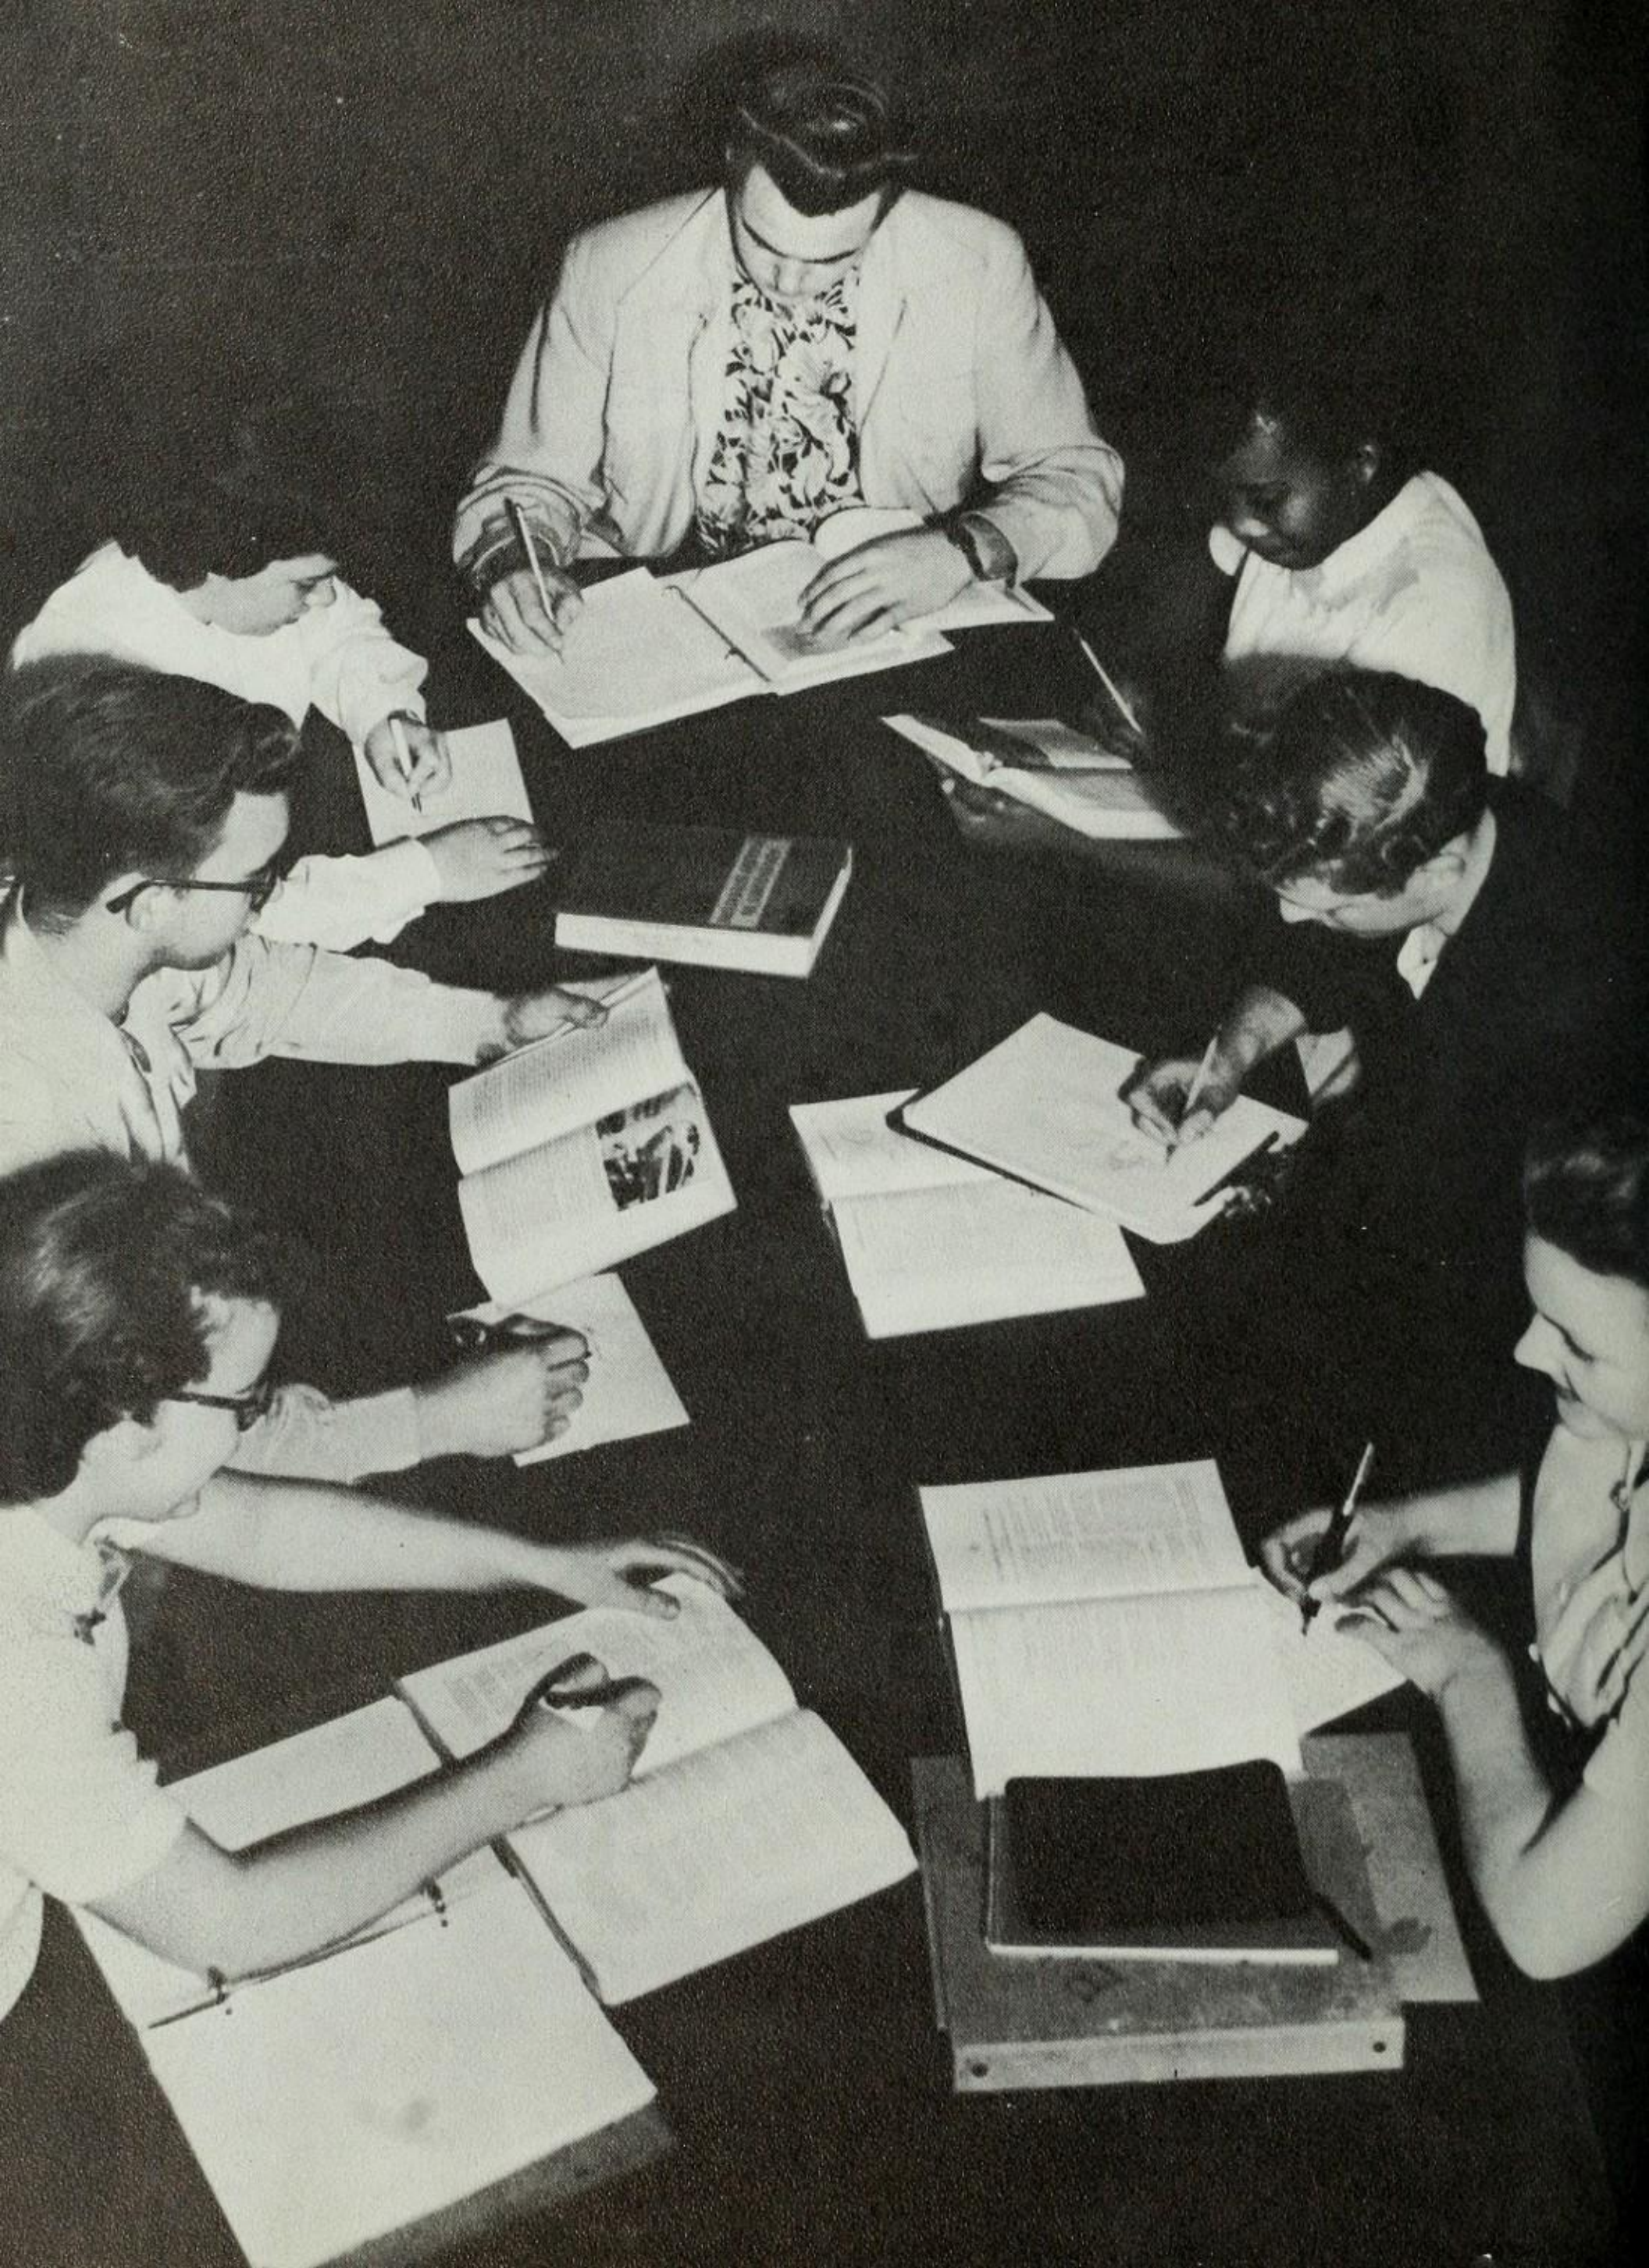

Excitement ran high as the money was counted (left), and as the total of over \$3,000.00 was announced, those on the platform, along with the students, vigorously applauded and thanked the Lord for His blessings in the successful day.

We Learn of Christ Through Study

Thy word is a lamp. . .

Your body is the temple. . .

In Him we live and move.

Every man heard in his language.

Study to show thyself approved.

God's Word was the Central theme of each class.

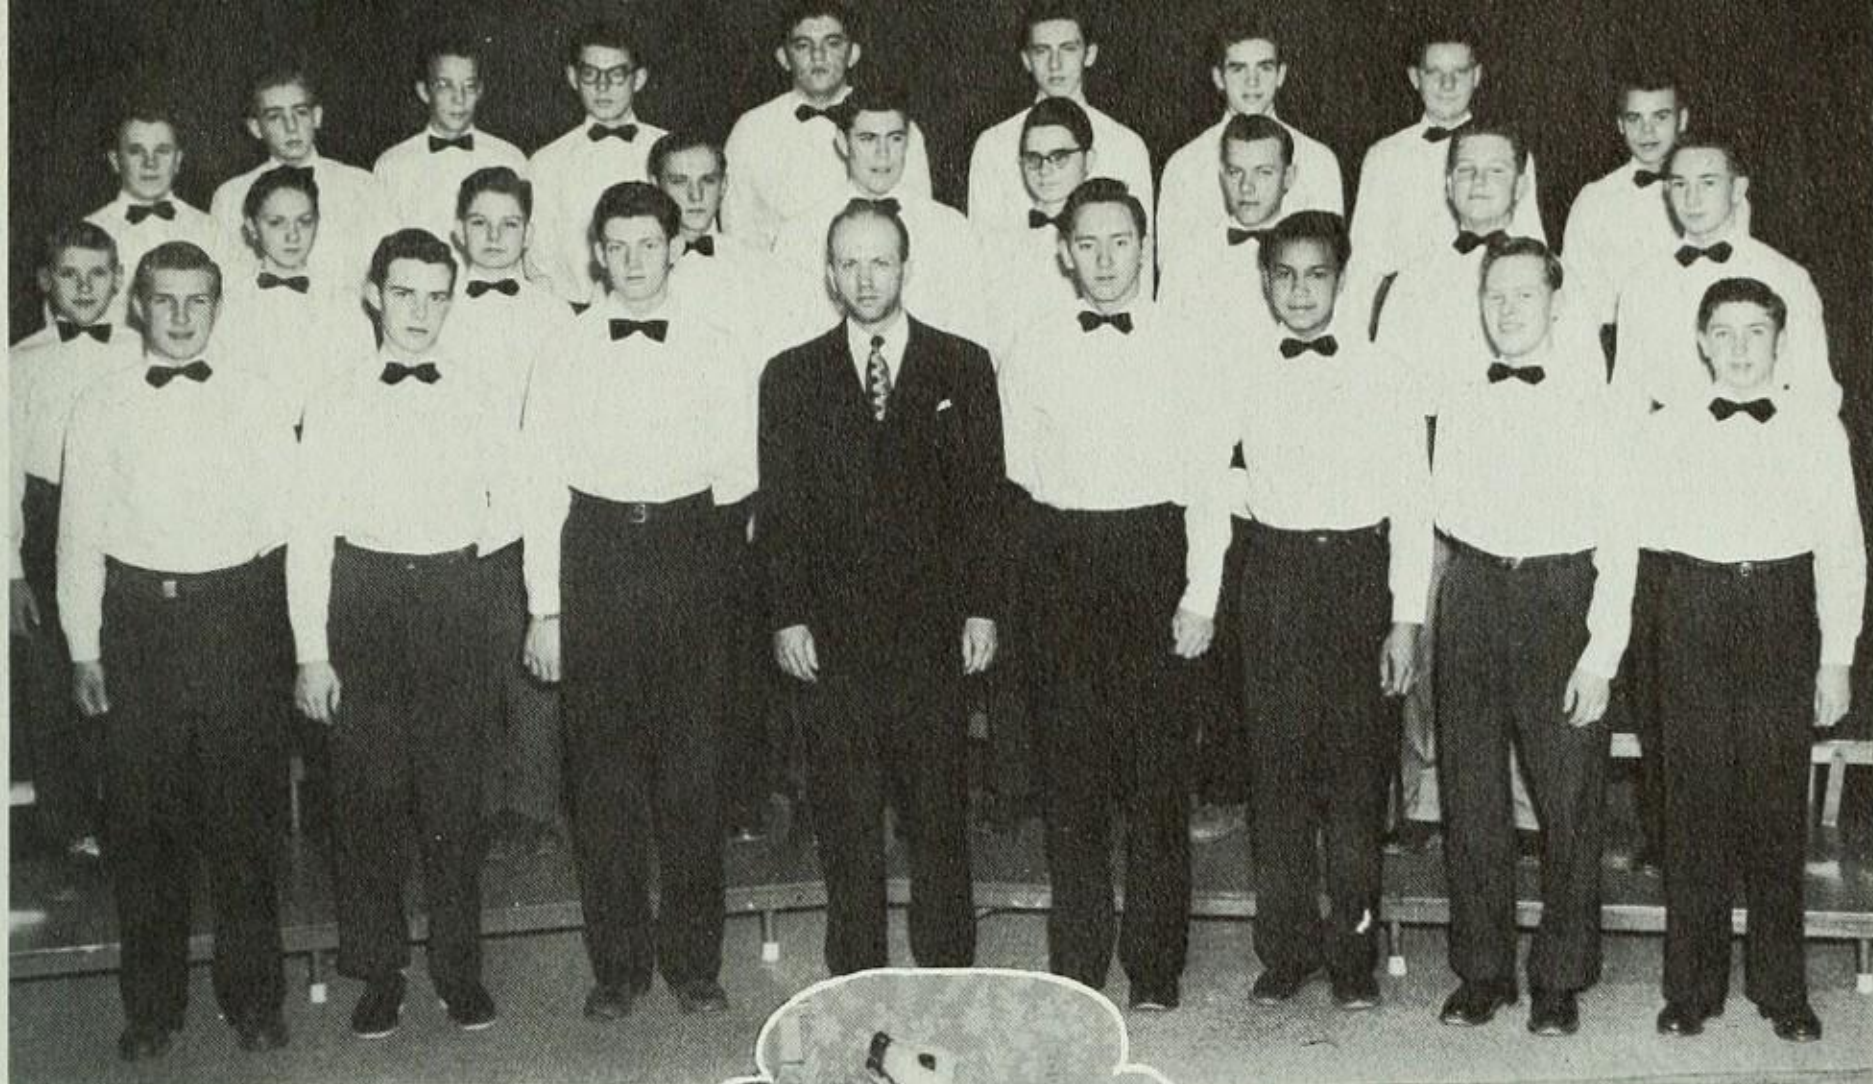

Whatsoever ye eat or drink.

The first semester musical highlight of the Cantorale Choristers was the presentation of the "Messiah" by Handel. Soloists are in the front row.

The Girls' Glee Club represented Adelphian as they visited several churches during the second semester.

Boys' Glee Club showed

Saturday night performance.

Miss Swedberg gives valuable piano
instruction to promising students.

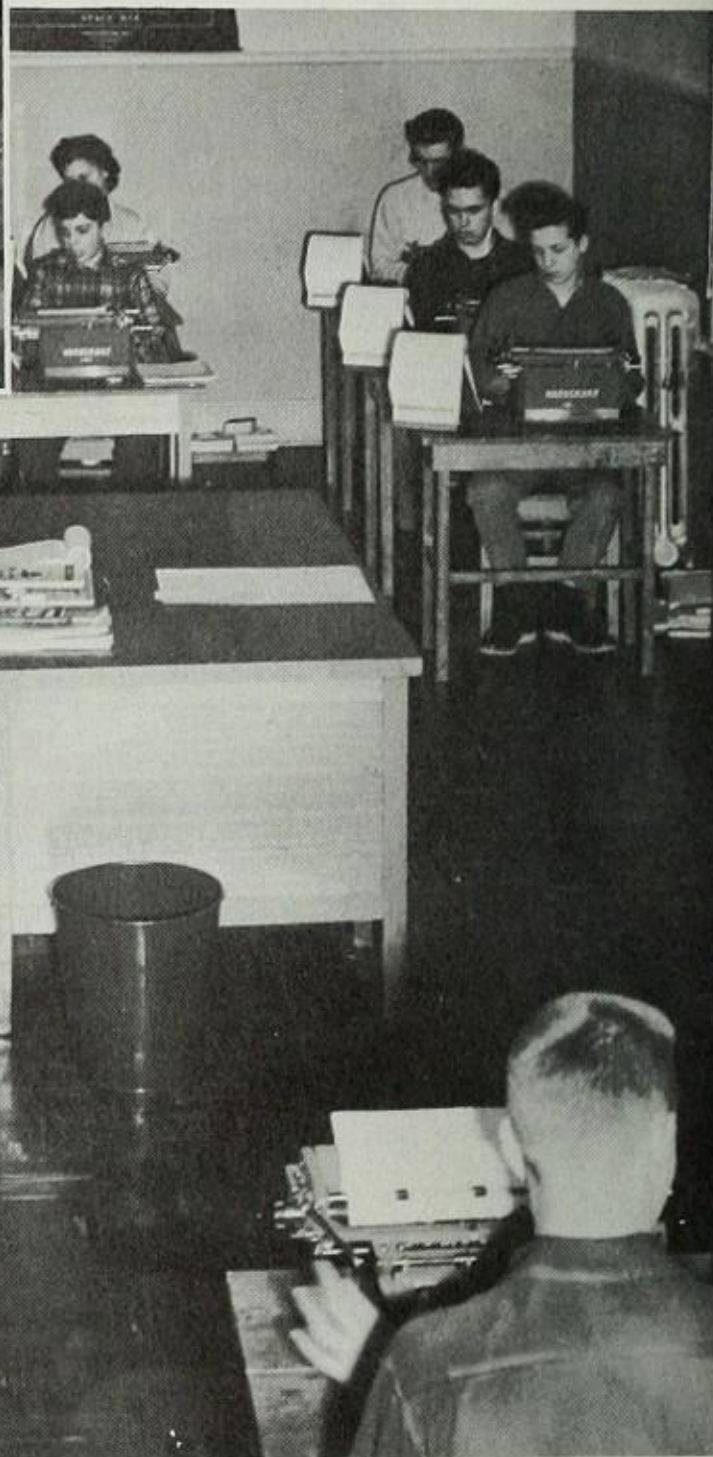

Mrs. Engen prepares students to be
tomorrow's organists.

In Mechanics' Lab, Mr. Cole demonstrates how to sharpen a saw.

Future typists develop their skills of speed and accuracy.

The Graphic Arts interest runs high in the Printing class.

In Home Economics girls learn the fine art of homemaking.

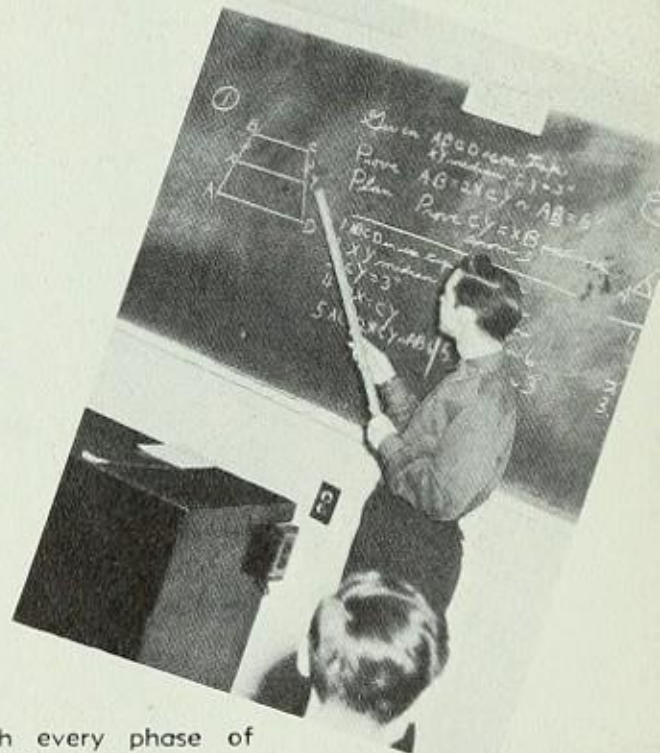

Mr. Pratt explains the beasts and image of Daniel.

The laws of the universe are studied in Physics. Here, students are working problems using prisms.

"Prove all things" is done in Geometry.

The Ag students become familiar with every phase of farming. Below, Mr. Vonhof analyses a cow.

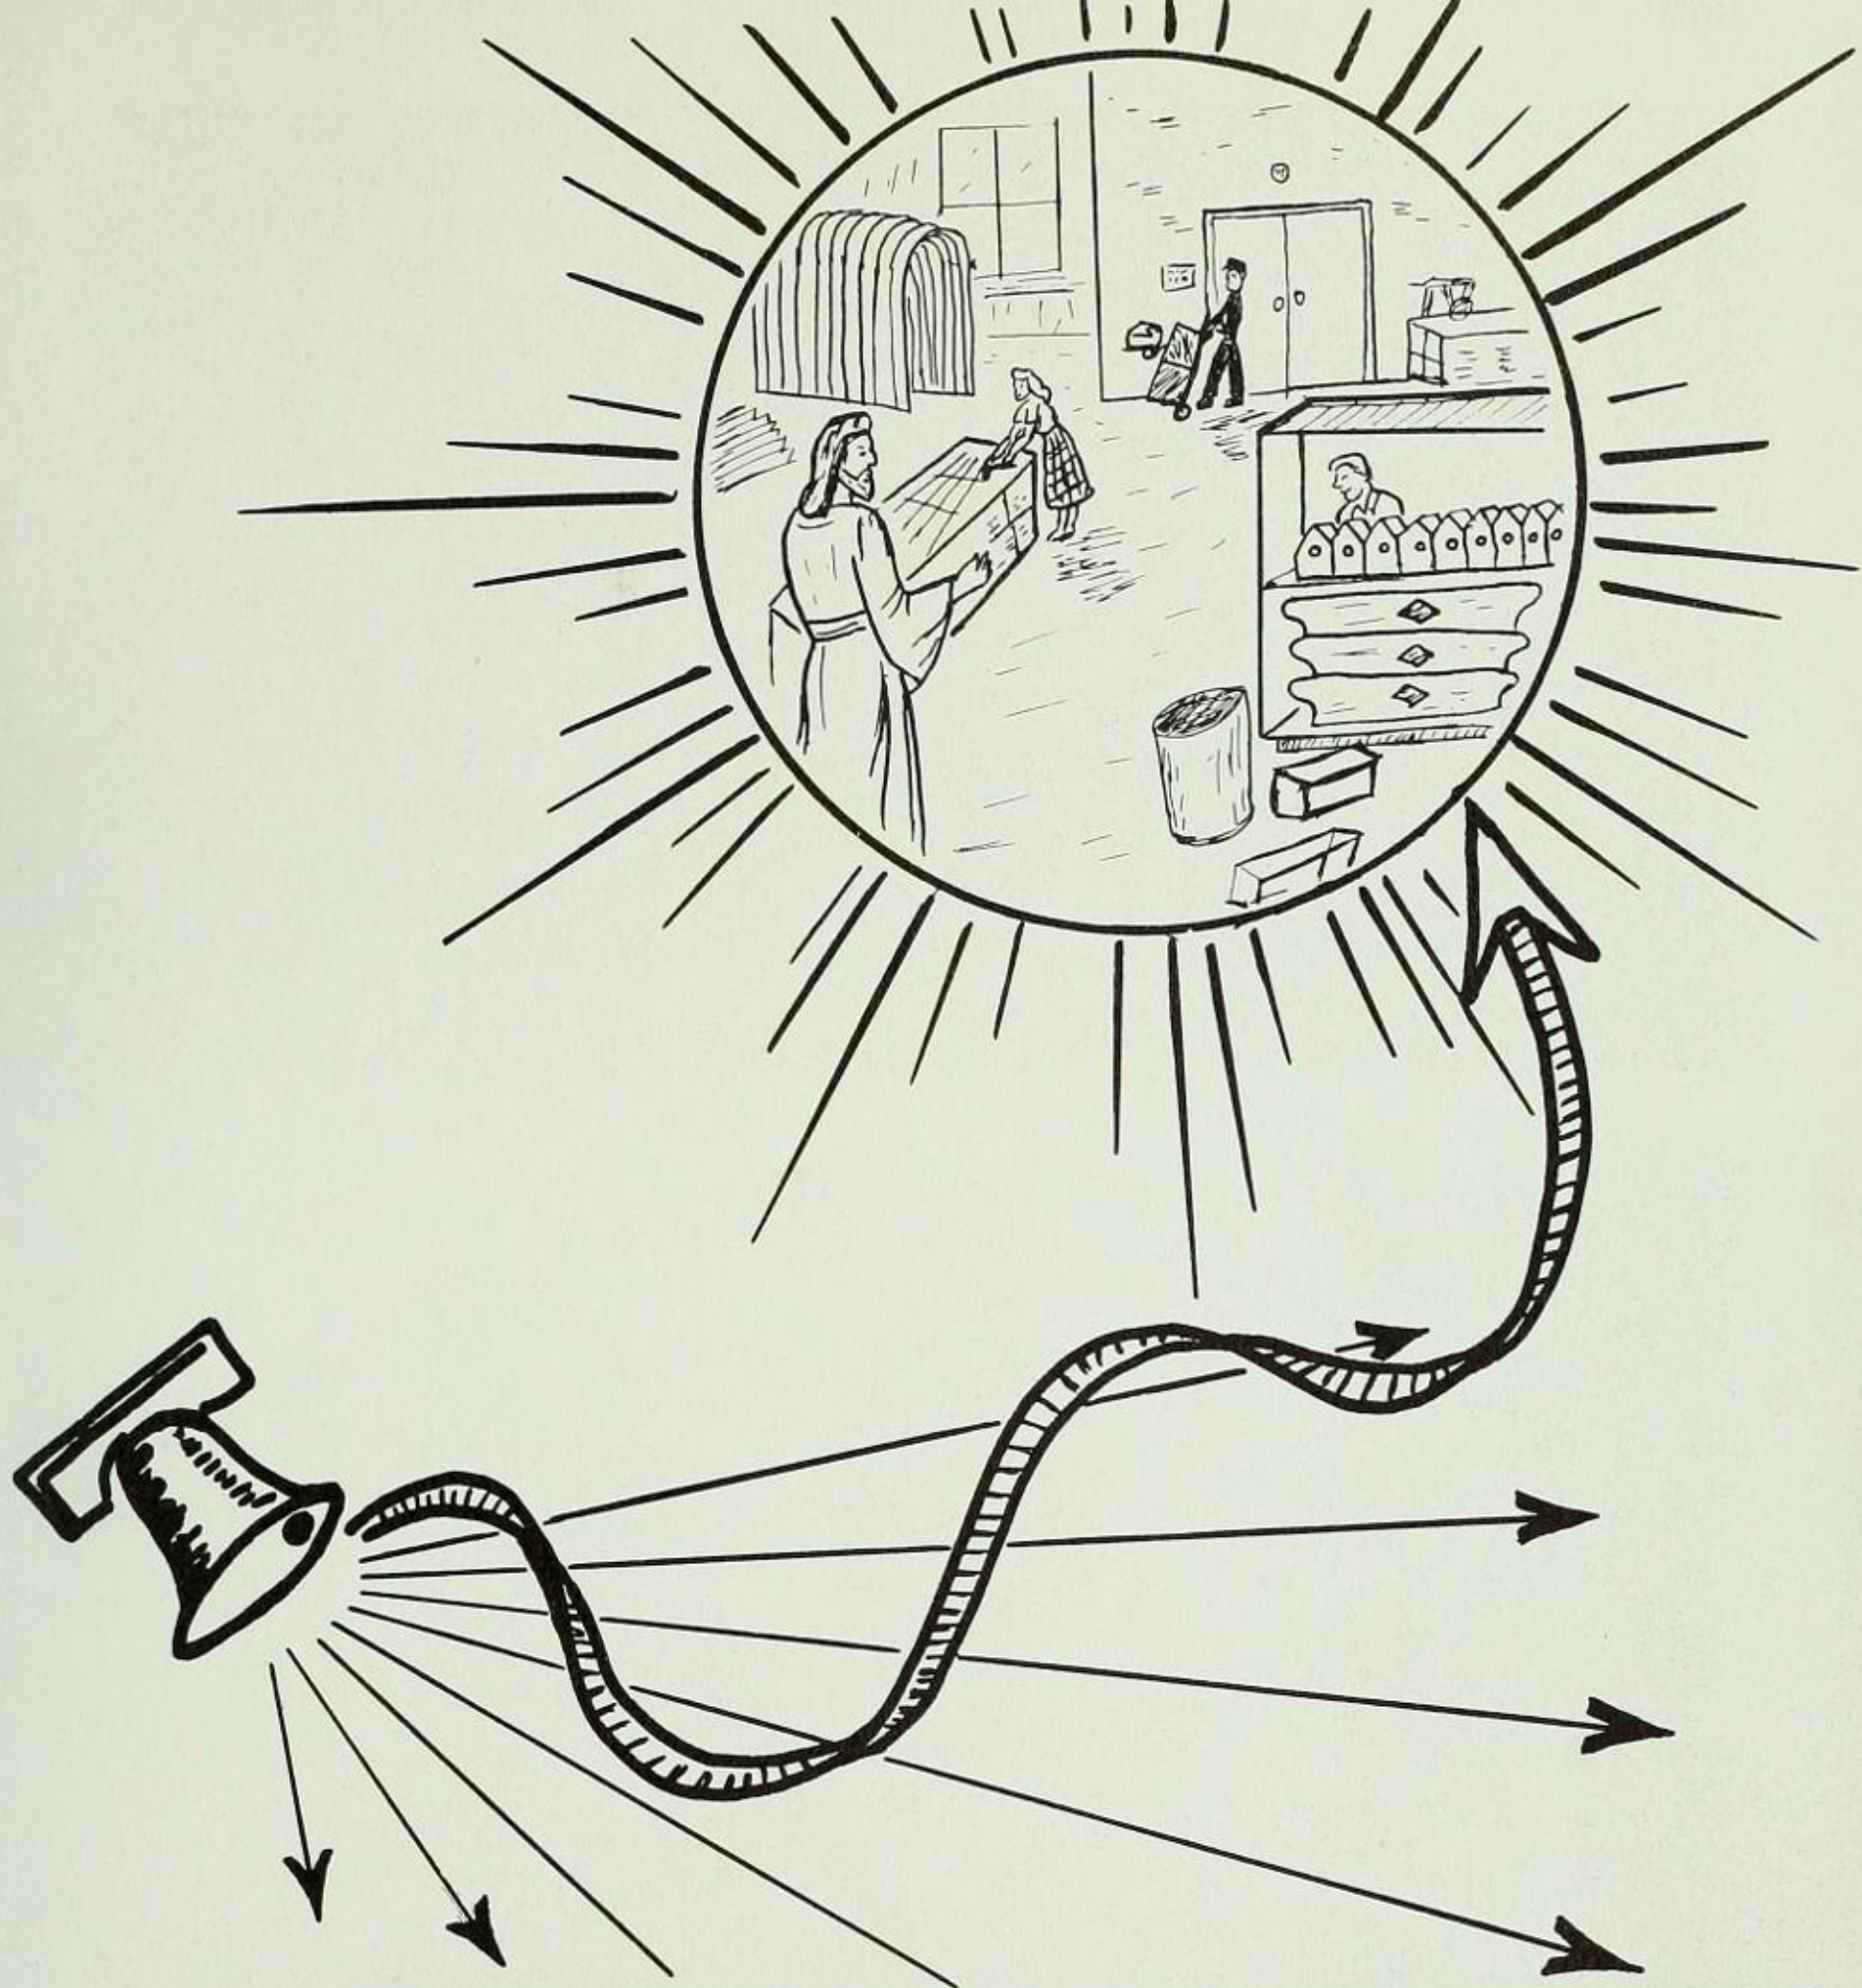

Strike Up the Band!

This better band was built by boosters of Adelphian, who made the new purple and gold uniforms a reality. Private lessons, such as Donald Habenicht is receiving (left), make band members better musicians.

Eight mallets, eight hands, four students and two marimbas make pleasing harmony.

AT THE SCHOOL PICNIC

Volley ball, softball (including a disputed play), relay races and broad jumping were made enjoyable by the most important part of a picnic, a wonderful dinner.

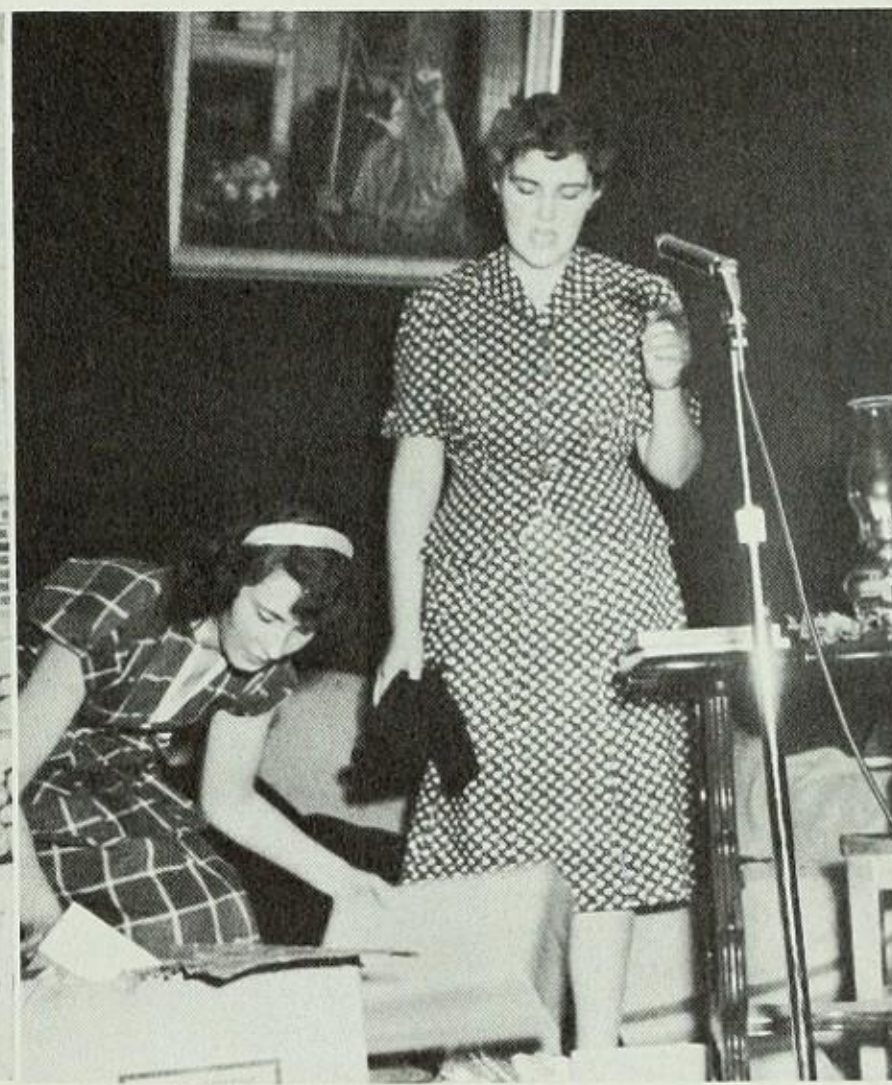

"I don't want to play in your yard," was the argument which Dean Foreman settled by inviting all to the girls' back yard—their reception.

Each portion of the program was interesting and beneficial . . .

. . . including the delicious food.

The Christmas season was portrayed by caroling and a manger scene.

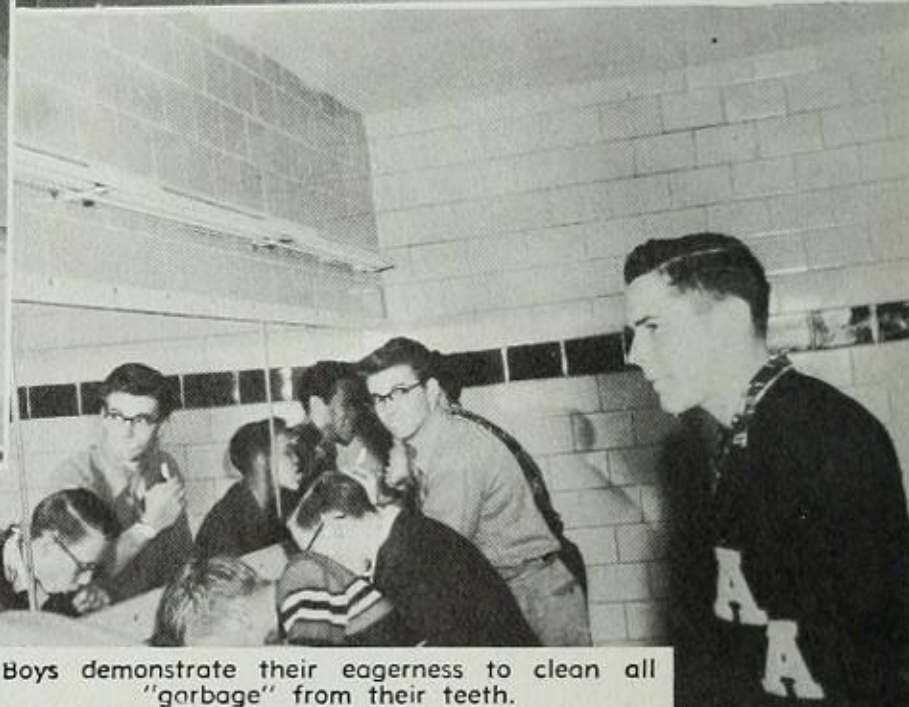

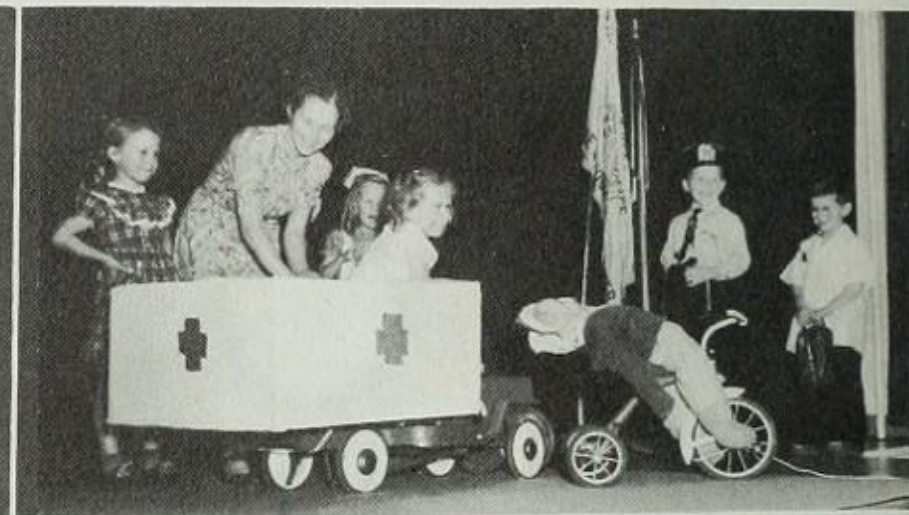

Adelphian's doubles are the Boothbys, Grubers, Thomases and Suttons.

Good health was emphasized from the first of the year.

Boys demonstrate their eagerness to clean all "garbage" from their teeth.

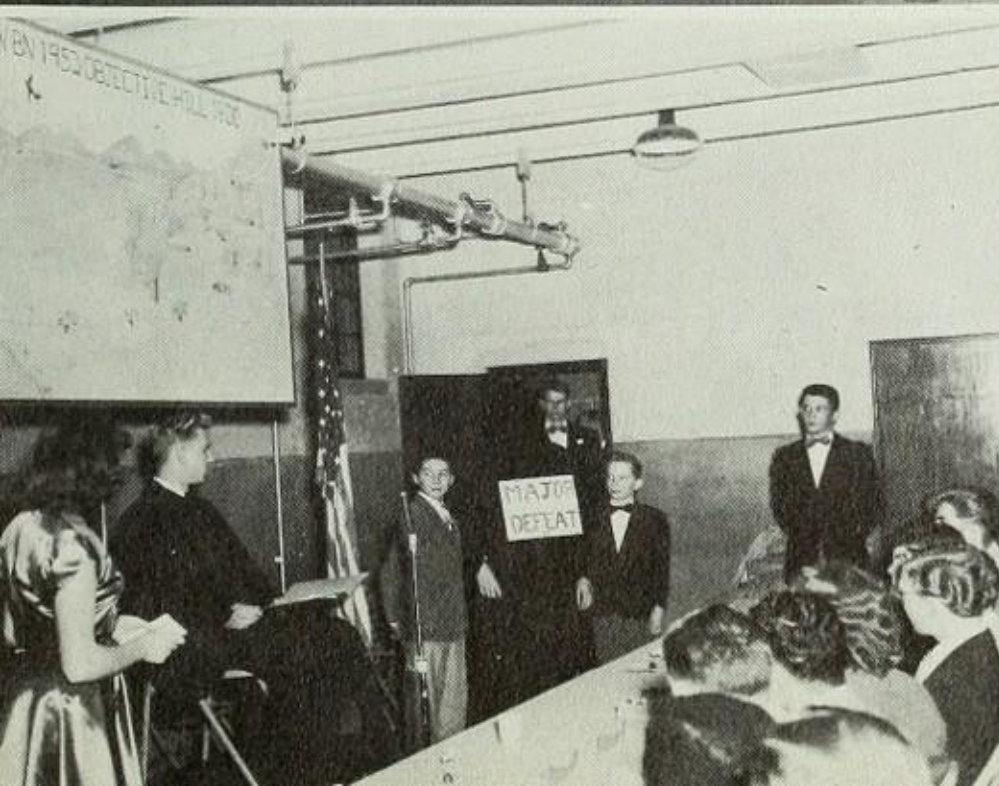

Before the campaign "Major Defeat" could be seen lurking anywhere.

From the launching of the campaign to its conclusion, the conquest of "Hill 1800," the victory banquet, and the trial of "Major Defeated," the "Shi" staff under Mr. Ward's capable leadership, guided the battalion to complete victory.

LYCEUMS

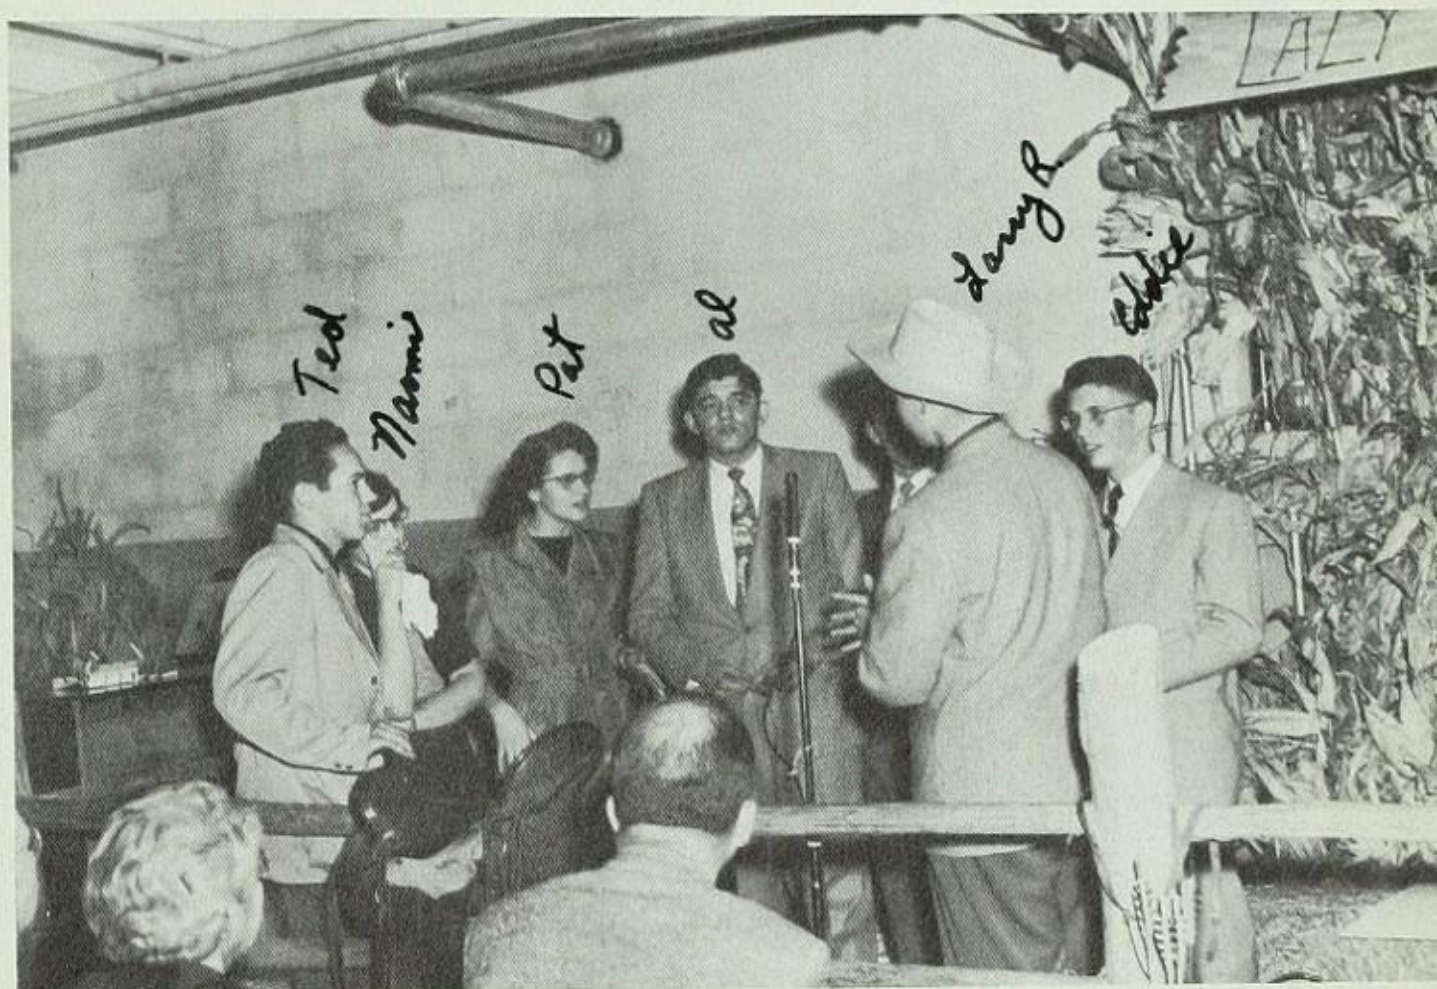

Owen's Talking Birds; Pruth McFarlin, tenor; Mr. Krantz and Mr. Harding, pianist and violinist; Tom and Arlene Hadley, photographic explorers; and Doctor Myers, etymologist, all gave interesting programs and left warm feelings in each Adelphianite's heart.

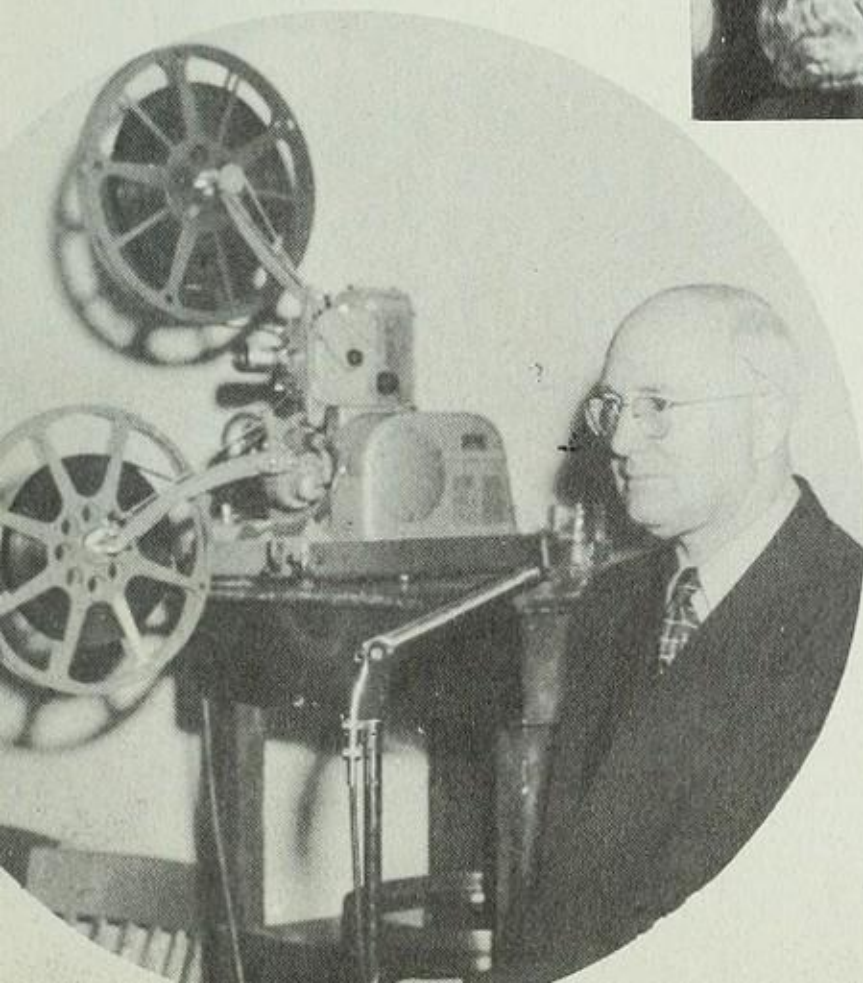

Tramp-alone, Trampoline Night, with Mr. Loken, was the perfect mid year relaxer.

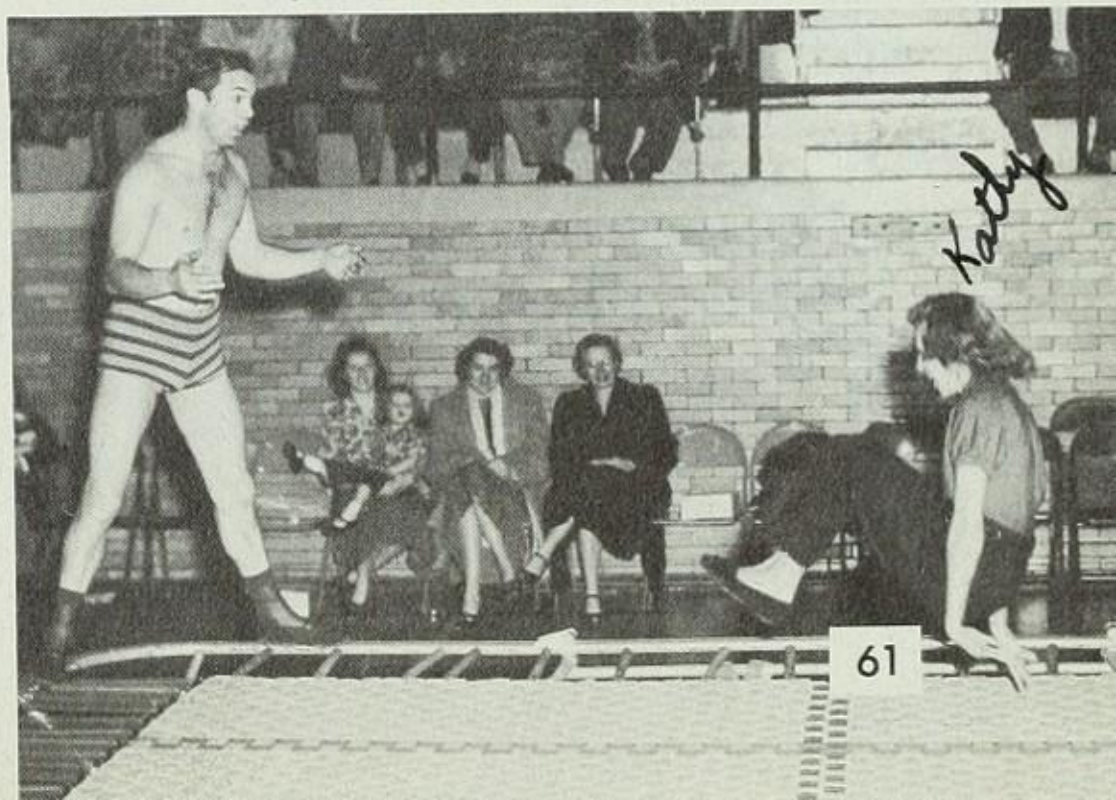

Hard questions nearly stumped the experts at Fall Festival.

Mr. Belleau took us on a trip to Canada through the lens of his camera.

Kathy demonstrates her ability on the trampoline.

Games and marches in the crowded recreation room brightened many social gatherings.

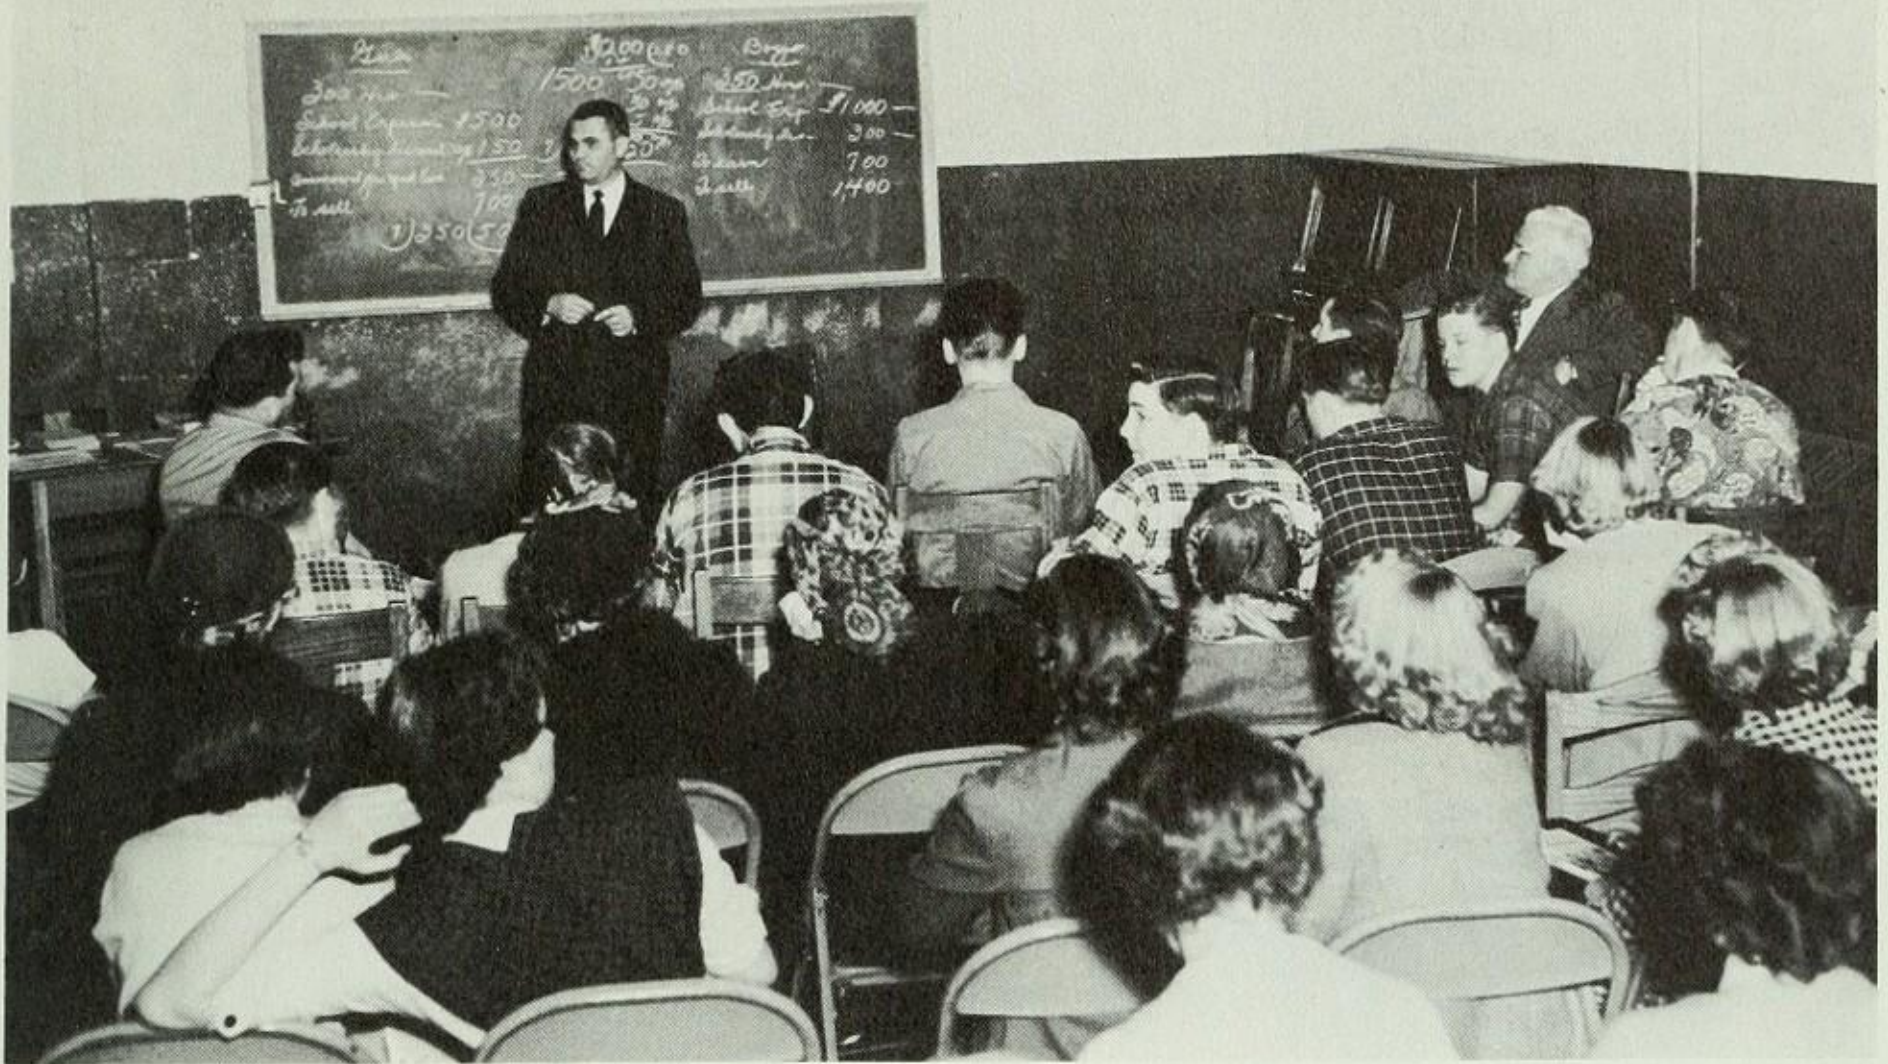

Campus capers were cut by faculty young ones who treated their neighbors on Halloween eve.

One of the few snowfalls afforded fun for Jimmy Garber and Ann Spalding.

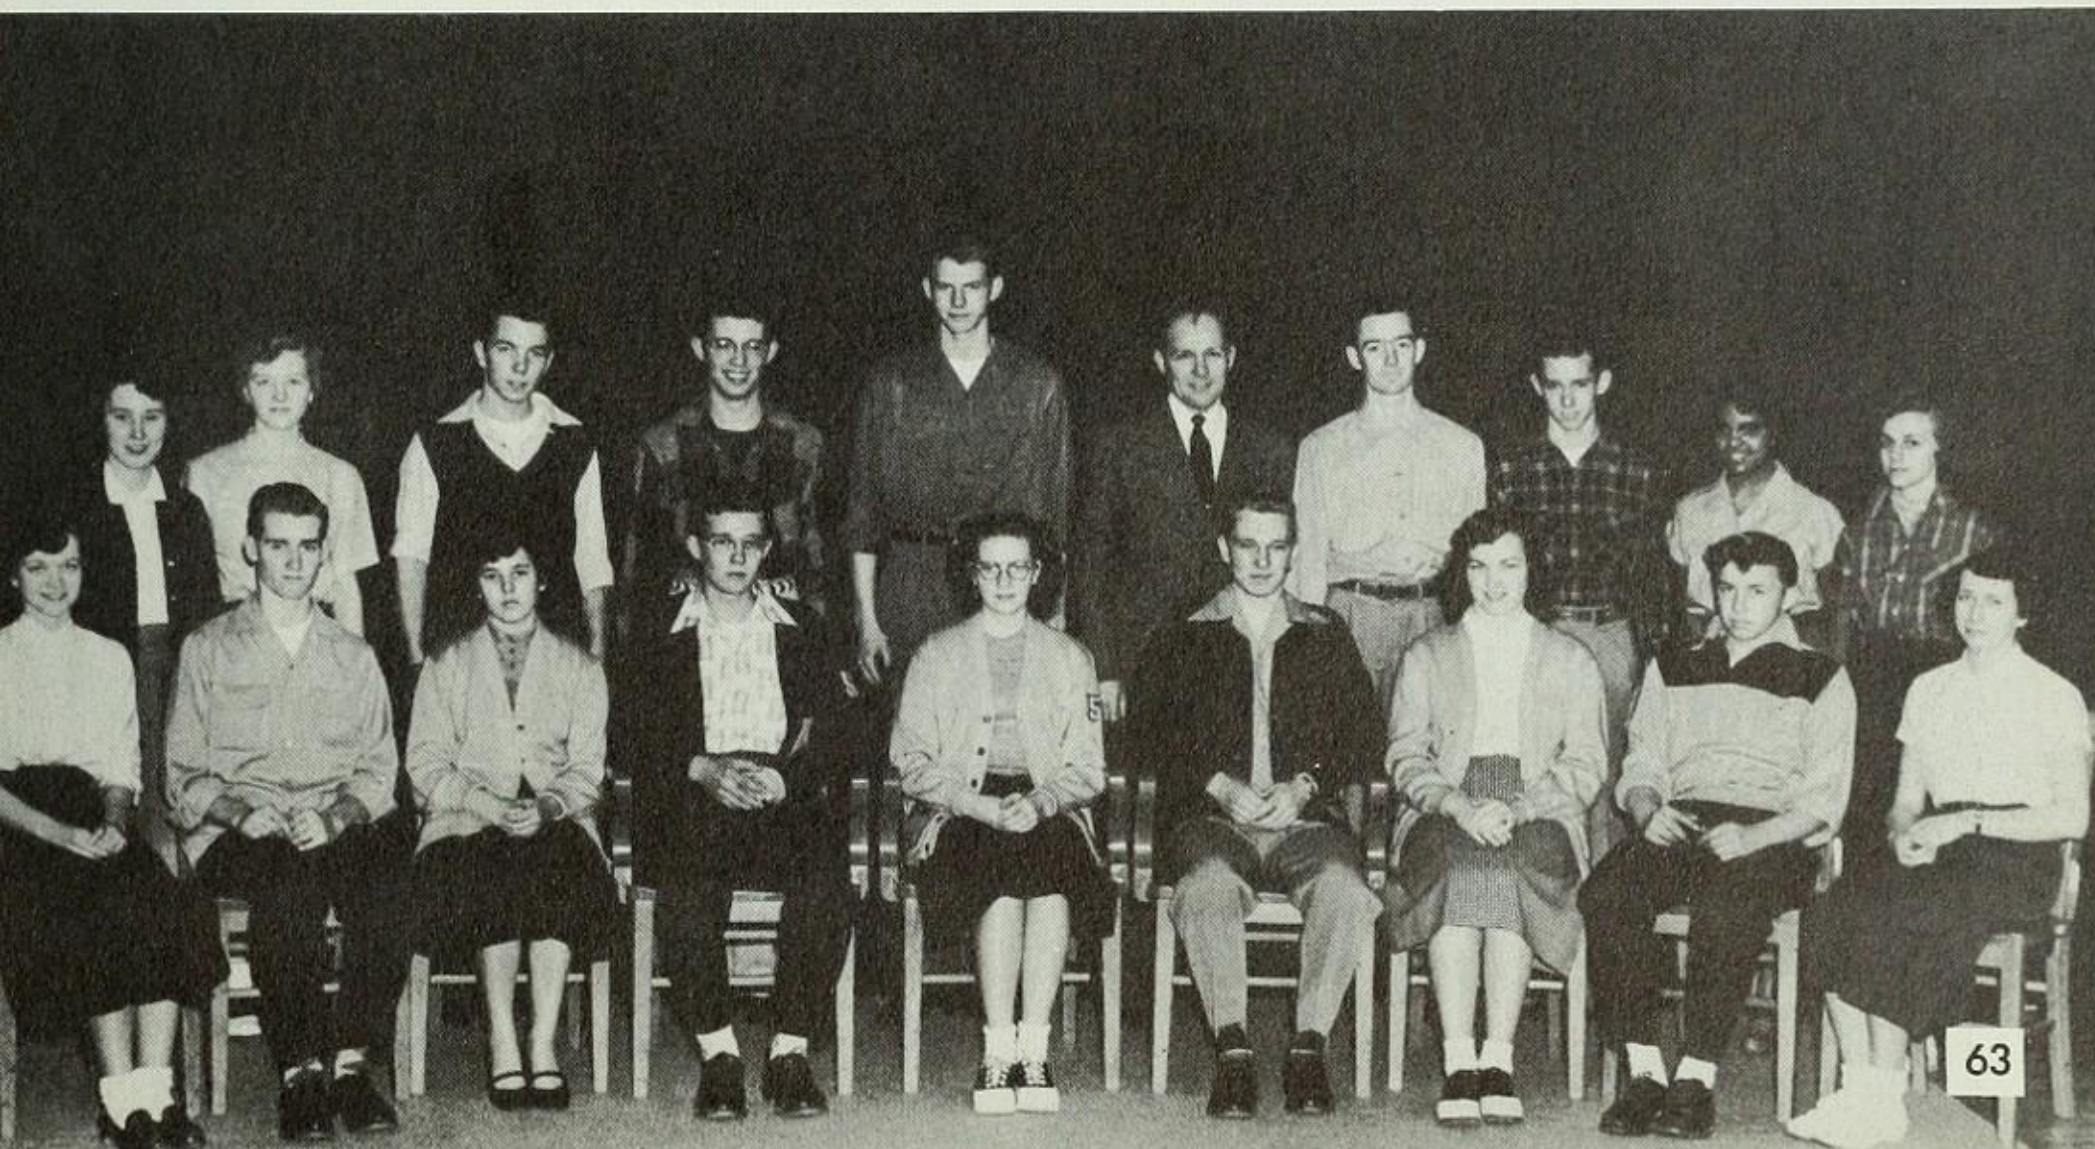

Junior presentation included a reading by John Kavin.

Future Colporteurs receive valuable information from the veteran Bookmen as the summer's plans are laid.

Adelphian has many things for which to thank the Student Association. The S. A. officers led out in the campaigns and the Westminster Chime project.

Boys' Open House

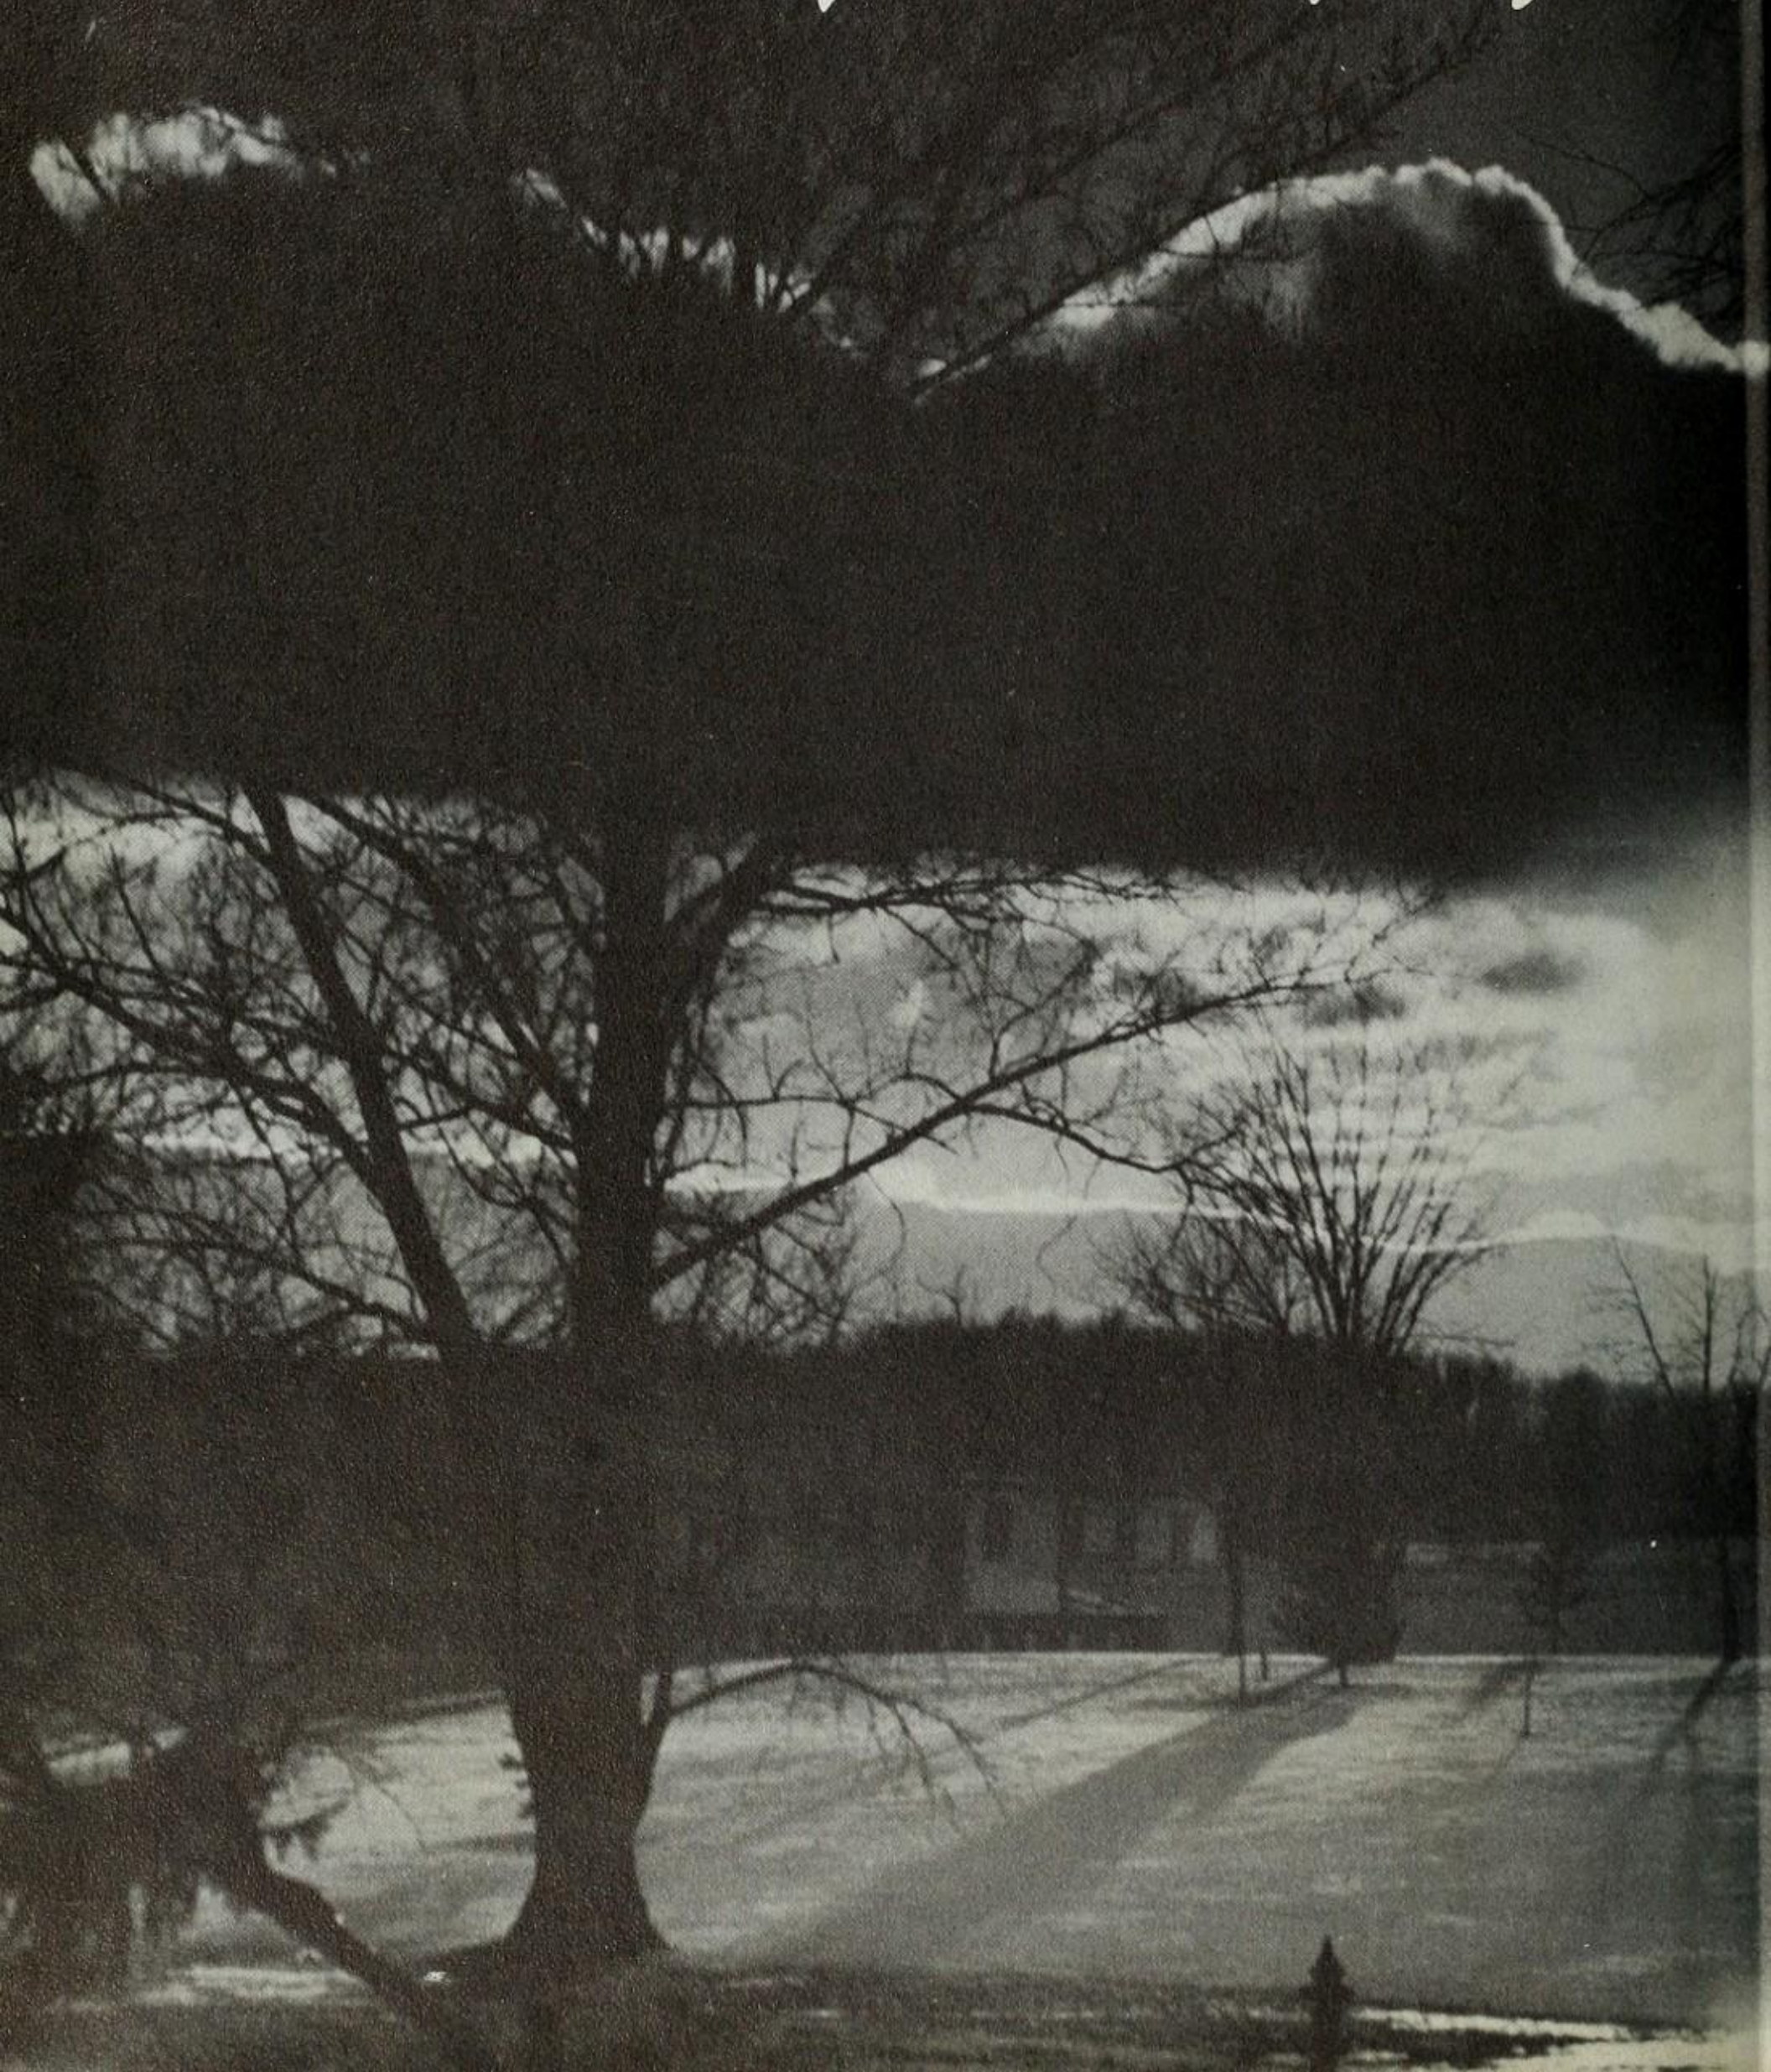

[illegible]

Dearest "Mert,"
It sure has been grand knowing you this year! We've really had some great times together. Remember the fun we had skating back in Mr. Mayo's class? I hope we can get together this summer. I wish you all the success and happiness in the world in whatever you do.
Don't forget to write me next year. Ever your friend,
L. J. [unclear]
I hope you love a nice time this summer - I wish you would come up to see me. I love you safe
